

### IN AND AROUND THE HIGH SCHOOL

A general assembly was held last Friday. A part of the play "Green Stockings" was presented to the high school as an "appetizer."

Raymond Schultz, a post graduate student in Northwestern University, spoke to the high school Monday on "Going to College." Mr. Vernon then gave a short talk on the same subject.

L. M. (in Geometry): "If equals be added to equals the remainders are equal."

Tuesday, Dr. M. A. Brannon, President of Beloit College, complimented the high school by coming here and talking to the assembly. His talk was very interesting, beginning with the complexities of the present age and ending with a description of Beloit College. We were indeed fortunate to have Dr. Brannon come this distance to talk to the high school.

If good talks have anything to do with getting students to go to college, our high school will certainly be well represented in many colleges.

The High School Social Committee is giving a dance for the high school students Saturday, April 22.

Teacher: "What about that sentence, is it all right?"  
Student: "It's two sentences."  
Teacher: "Not that one."

The results of last week's joke contest are as follows:

Class	% Sense of Humor
Freshmen	37.09
Sophomore	17.02
Junior	3.22
Senior	6.25
Faculty	18.01
TOTAL	22.37

#### TROOP THREE NEWS

Some of the Scouts of Troop 3 planted trees on Arbor Day as the Scoutmaster asked them to. Last Tuesday night, April 18, the Scouts had to be quiet while in the gym because of the play being given in the high school assembly. Mr. Harry Case is now assistant scout master with Paul Prickett. Two or three Scouts hope to become 1st class at the next Court of Honor.

### PLANT CAMPAIGN TREE ARBOR DAY WITH CEREMONY

Nature Class Gives Mrs. O'Neill the Honor of Breaking "Bottle" Over the Roots.

Mrs. A. R. Whitehorn was hostess to the Nature Study Class last Friday. It being the birthday of Mrs. Reinhold, a few extras were indulged in, such as birthday candles, two kinds of salad etc. Arbor Day was observed by planting a tree with great ceremony. Mrs. Lottie O'Neill was given the honor of breaking a bottle of Aqua Para to bathe the roots of the Lottie Holman O'Neill tree and each member put in a shovel of earth. Some of the ladies showing the handling of the useful spade was no novelty to them, so the tree was planted with a campaign cry of "Lottie O'Neill we are proud of you and we are right here to see you thru so Hip-Hip-Hurrah for our Lottie."

The members that enjoyed the delicious luncheon bird study hour and the rest of the fun were Mesdames O'Neill, James, Lemon, Ward, Reed, Cleveland, Dowle, Fisher, Reinhold, Kruse and Whitehorn.

The next meeting will be held April 28th at the home of Mrs. Ernest Kruse, Grand avenue, Highland Acres, 12 o'clock. The study "Perennial Planting," prepared by Mrs. Kruse, will prove very instructive.

**Always Purpose in Sorrow.**  
Hold sorrow till its more selfish aspect passes; till it turns its religious side to you; till time and experience and faith do their work; till you feel not its gloom, but its glory; not its cross, but its crown. Do not, through any device, lose its sanctifying influence, the greatest loss the soul can meet.—J. F. W. Ware.

### REPEAT "BOHEMIAN GIRL" AT SCHOOL FRIDAY EVENING

Opera to be Sung for Benefit of American Legion Crippled Soldier's Fund

Through the courtesy of the cast of school students, the opera "Bohemian Girl" will be sung again at the high school assembly hall this, Friday, evening. The local Legion post requested that it be repeated as a benefit for their crippled soldier fund and this Mrs. Virginia Sanford, who directed the piece, and the cast kindly consented to do.

It was sung twice to packed houses in March and the two audiences were more than satisfied with the exceptional talent displayed by local singers. The opera is well worth while and those who did not hear it when first sung, should take advantage of this last opportunity.
