

NORTH WESTERN GIRL'S GLEE CLUB HERE NEXT WEEK

Cooks from Naperville to Sing at the First Evangelical Church Tuesday Evening.

The Girl's Glee Club of North-Western College will visit Downers Grove on Tuesday evening of next week, giving a concert in First Evangelical church. This club recently gave a concert in Kimball Hall, Chicago, to a large audience and the admission charged there was 75c. Mr. Reuben Diener, chairman of the Good Citizenship Committee of the Young People's Alliance of First Evangelical church, has secured from them special terms which makes it possible to lower the price of tickets to 25 and 35 cents for the local concert. The concert will be given under the auspices of this committee and net proceeds applied on the Young People's Alliance pledge to the Parsonage fund. Tickets can be secured at Lehmann and Michel's or from the various members of the committee. The program to be rendered is as follows:

- PART I**
- Four Leaf Clover The Club
- Duet—Passage Bird's Farewell Florence Umbreit and Mabel Kemp
- Curly Headed Baby The Club
- Reading—The Swan Song Erna Martin
- In May The Club

THANKS VOTERS

To the Voters of DuPage County: I take this means of thanking the voters of DuPage county for the wonderful support given me at the primary on April 11. I appreciate deeply the votes of the DuPage people and the fact that the total in this county was responsible for the nomination.

The backing of my friends and acquaintances in the County shall not soon be forgotten.

Very truly yours, Mrs. (W. J.) Lottie Holman O'Neill.

THIS AIREDALE REAL FRIEND

Dog, Allowed Liberty, Brings Dainties to Hound Which is Confined to Its Kennel.

Kind heartedness that might well serve as an example for human kind is displayed by "Pat" an Airedale pup of Point Pleasant, W. Va., says a correspondent the object of its fine feeling being a hound owned by Bert Shiflet. The story of the four-footed pet's benevolence is attested by members of both families, who are neighbors. Shiflet keeps his hound, "Jack," tied in the back yard. Thomas Airedale, however, has the untrammelled liberty of a freethorn American dog and makes the most of it. He is a good forager and knows the location and probable yield of every garbage can in the neighborhood. Mrs. Shiflet feeds Jack generously, and not infrequently the menu contains an appetizing bone, but she did not give Jack all the bones that accumulated beside his kennel. All became clear the other day when Mrs. Shiflet saw the Airedale approach Jack's kennel with a big soupbone in his mouth, set it down in front of his tethered friend, wag his tail gleefully, bark a message of good cheer, dance playfully about for a moment and then dash off for some new adventure. A watch kept on the Airedale showed that trips were made to the hound's quarters every day. Sometimes instead of a bone the offering was a bit of meat or some other dainty.

High Price for Manuscript. The largest amount given for a modern manuscript was paid in New York for Thackeray's "The Rose and the Ring." The author wrote and illustrated it himself for a child friend; and when it was last put up at auction it realized \$23,000.

Snowflakes All Hexagonal. One of the odd facts in connection with snow crystals is that practically all of the hundreds of different varieties are hexagonal in form.
