"The Big Smoke," the minstrel to be given week after next in the Dicke theatre for the benefit of the fire truck fund, is a winner. The songs are catchy and will be sung by the best of the local talent. The fact that Miss Gwen Griffiths has a number assures this.

A mystery. A real mystery has developed in the forest preserve, end of the swamp known as the "Barker" and the water is just about gone. Inquiry in various sources has not furnished a satisfactory explanation of the reason for the draining. If you "go out in the woods" Sunday someone has dug a ditch at the west end for yourself that the water has gone. Why?

"BILL" KRAMBS IN RECORD REVOLVER SHOOT LAST WEEK

Local Crack Shot Breaks all Club Records at LaGrange—93 Out of Possible 100.

Bill Krambs broke all records at the LaGrange Revolver Club last Friday evening with an actual score of 93 out of a possible 100, on a ten shot target, seven of which were perfect tens with one none and two sevens. A score of 80, made with a ten inch barrel target pistol is considered very good, but a score of 93 with a six inch barrel revolver is beyond our vocabulary of description. Bill says he can always shoot better in the spring after he gets the frost out of his joints. Incidentally we are not going to make any attempt to go prowling around his chicken coop after dark.—LaGrange Citizen.

Grease in Wall Paper.

Press a cloth moist with high grade gasoline against the paper for about a minute. Do this repeatedly, as a single application will remove only a part of the grease.

Worst Accident in History.

The most appalling accident in history was the falling of an amphitheater in Rome in the time of Tiberius. Fifty thousand persons were crushed.

PLANS MATURING FOR LEGION STAG FRIDAY, MAY 12th

Ex-Service Men Along "Q" Working on Unique Program for Get-Together.

Dan Diener, commander of the local Legion post, is confident that the stag party, to be given in Dicke's hall next Friday evening, May 12, will be a winner. He is basing his predictions on word received from the posts along the "Q" from Berwyn to Naperville. These posts are all invited here for the stag, as is every ex-service man in that territory.

Each post, Berwyn, Riverside, LaGrange, Hinsdale, Downers Grove and Naperville, is to have some part in the program. There will be singing, speaking, several specialty acts and those who attend are sure of a real entertainment. Efforts are being made to have a nationally known speaker for a short talk and there will be eats in plenty. This is a regular get-together for the fellows along the Burlington who find that it brings them in closer touch with each other.

MEET MONDAY TO MAKE PLANS FOR DECORATION DAY

Ex-Service Men Gather in Legion Rooms to Plan for Fitting Observance May 30.

Ex-service men of the community will meet in the Legion rooms, Belmont and Frost avenues, next Monday night, May 8, to make preparations for the observance of Memorial Day, May 30. Since their return from the world war the duty of remembering the dead heroes of past conflicts has naturally fallen on their shoulders. The thinning ranks of the G. A. R. show that this organization is no longer capable of handling the details of a fitting observance of remembrance of American soldiers and sailors. They have given over to the newer G. A. R., the American Legion, the duty of remembering.

Every ex-service man in the community is invited to attend the meeting Monday. His voice is necessary if the days events are to be what the rank and file of the ex-service want. The time is eight o'clock and a good attendance is desired.
