YE TOURIST TAVERN
189 West Maple Ave.

We take pleasure in announcing with considerable satisfaction and pride that "Ye Tourist Tavern" has secured for Downers Grove the distributing agency of the Hydrox-Guernsey Ice Cream Co. It is, therefore, no longer necessary to run to the more exclusive and expensive restaurants of the city to obtain this delicious product—well known as the highest grade ice cream in Chicago.

The "Tavern" is not completed but HYDROX-GUERNSEY will be on sale here this week end. We suggest that you take home a quart or more for Sunday dinner, especially since it can now be obtained at a price merely a trifle higher than just ordinary ice cream.
