"NO HIT, NO RUN" GAME PITCHED BY "HERB" EHNINGER

Gets Fourteen Strike Outs Against Sheridan A. C. in Easy Win Last Sunday.

Herb Ehninger, star slab artist for the Downers Grove baseball club, pitched a no hit, no run game against the Sheridan A. C., of Chicago, on the local diamond last Sunday afternoon, achieving one of the things which most pitchers strive for and few attain.

Besides that he struck out fourteen men and was never in danger, his twirling having his opponents at mercy. Only one of the Sheridan A. C. players reached second base and the final score was 8 to 0.

The game was fairly played considering it was the second of the season for both teams. Ehninger received good support and the local players were fast and sure. Binder, team manager, switched four players in the fifth giving all an opportunity of participating.

The Sheridan infield was a little loose, but the outfielders were sure, several sensational catches being pulled off in regular big-league style.

Shanabrook puled a beautiful foul from left outfield and played his usual steady game.

Next Sunday afternoon, June 4, the team meets the Chicago Gallagans. This is a new outfit to the locals but they are touted as a strong aggregation and the game should be worth watching.

Following is the score by innings and the summary.

	1	2	3	4	5	6	7	8	9	r	e
Sheridan	0	0	0	0	0	0	0	0	0	0	3
Downers	1	0	3	2	0	0	1	1	x	8	12

Three base hits—Carpenter, Shanabrook; two base hits—Binder; struck out—by Sheridan A. C., 4; by Ehninger, 14; bases on balls, off Sheridan, 7; off Ehninger, 2; stolen bases Downers Grove, 5; Sheridan, 2.

WILLING WORKERS BAZAAR SATURDAY A GREAT SUCCESS

Building Fund of United Brethren Church Swelled by Work of the Society.

The bazaar under the auspices of the Willing Workers Society of the United Brethren Church of East Grove, which was held at Mrs. Mrkvicka's store last Saturday afternoon and evening was a decided success. A number of well stacked and tastefully decorated booths were presided over by the ladies of the Society.

The attendance was large and the people showed their appreciation of the ladies' efforts by their liberal patronage. Most of the wares were disposed of and in some cases orders were taken for some lines that were sold out.

The affair was not only a financial but a social success and seemed to be enjoyed by every one.

The members of the society desire to express their very great appreciation of Mrs. Mrkvicka's kindness in donating the use of her store for the occasion.

The ladies have turned over the proceeds of the bazaar to swell the building fund of the church.

THE SURVIVAL OF THE THRIFTIEST

William Jennings Bryan and others are up in arms against Darwin's theory of the "survival of the fittest" but we feel sure that if Darwin were alive today he and Bryan would agree that the theory should be changed to read—THE SURVIVAL OF THE THRIFTIEST.
