LIVE STOCK COMMISSION NOW AT UNION STOCK YDS.

All Live Stock Shipping Associations and Individuals are Eligible to Join.

The Producers Live Stock Commission Association at the Union Stock Yards, Chicago, is now open for business under the same national plan of the National Live Stock Producers Association as has been followed by the producers firms at East St. Louis and Indianapolis. A full force of salesmen and a well equipped office are ready.

All live stock shipping associations and individual shippers are eligible to membership. The regular commission rates will be charged and all profits prorated back to producers at the end of the business year.

The Producers Live Stock Commission Association at East St. Louis and Indianapolis have made a splendid record with Illinois farmers. Both of these firms now lead all other commission companies at their respective yards in the amount of business received.

BUILD!
→ DO IT NOW ←

Free yourself from the ever-present rent problem.
Anyone who can pay rent can own a home. Don't wait until you have accumulated a lot of money before you build.
By building now you not only provide a proper place for the raising of your family, but you are doing a service to the community by increasing the number of dwellings.
High rents are brought about by the shortage of houses. When you move into your new home you release a home for the use of someone else.
How much have you paid out in rent in the last two or three years? This rent money which you are now paying out will buy you a home and provide a profitable investment for you at the same time.
BUILD NOW! Consult us freely in regard to your plans and we'll gladly furnish estimate on cost of materials and assist you in every way in our power.

An Investment Opportunity
You Will Be Glad to Recall

SECURITY and YIELD MAKE INVESTMENT OPPORTUNITY

You probably remember that ten years ago 4% was considered a good interest return.
Then, you remember how interest rates gradually ascended to 5%—6%—7%—8% and in some few cases 9%.
And, again, you have seen the rates descend
Whether they will go to 4% is not known, but many authorities say they will.
That is why the non-callable, Preferred Shares of this big Company afford an investment opportunity you will be glad to recall.
The price is
\$98.50 per Share
Yielding over 7.11%.
Ample secured, properly managed, keeping pace with community progress, the healthy condition of this company is reflected in its Preferred Shares.
When interest rates are again on a 4% basis, will you be able to point with pride to your decision—the decision that assured you 7.11% return on your money?
A small initial payment will enable you to say "yes."
