True Friendship.
We do not like our friends the worse because they sometimes give us an opportunity to rail at them heartily. Their faults reconcile us to their virtues. HAZITT.

PLAYS AT HINS-

DALE SUNDAY

This is the First of a Series of Games to be Played this Year between Rival Teams.

All aboard for Hinsdale—and bring home the bacon. Next Sunday, July 2, the Downers Grove baseball team will travel to Hinsdale to play the first game of the series between the two towns for 1922.

These annual games create a great deal of interest among the fans and players alike and are usually the best played games of the year—at least from the Grovite's point of view. Last year Downers won two out of three and the year before they made a clean sweep.

Things don't look so bright this year with Herb Ehninger's arm gone mad for with him in the box Downers was a sure winner, Herb had the Indian sign on them and they knew it. However, we are almost sure to cop this first game.

Bert Bennett, who pitched a number of times for the locals last year will be in the box Sunday. Bert sure can twirl when he wants to and it is hoped he will be in that mood next Sunday. The rest of the team is in good shape and ready for the fray. Manager Binder will not be back from his wedding trip by Sunday but there are several good men on the bench who can fill in.

Hinsdale is going to give our boys a great battle from reports about their playing this year. The are reputed to be a slugging outfit this season and are playing a snappy game of ball. Theidel, who turned out a neat game here last year, winning the only one for Hinsdale, is in good shape and will be seen in one of the games. Bither, the port sider, has also been giving a good account of himself and the word has been passed around that he has class. On the whole you can be assured of a real game of ball.

On the Fourth of July the local team will play the Mont Clares, of Chicago on the North Side field at 3:30. This team is reputed to be a fast bunch, having won 5 out of 7 games played so far this year.

Funeral services were held here last Saturday for Mrs. Harry M. Jones, who died at her home in Rock Island, Ill., following a long illness. The Rev. A. S. Phelps, of the Congregational church officiated at the services and burial was made in Bronswood cemetery, Hinsdale.

Mrs. Jones, before her marriage, was Miss Alleigh Wetten. She was born in Downers Grove, educated in the local schools and will be remembered by many local people. Mr. Jones is a brother of Howard P. Jones of Gilbert avenue.

Last Sunday's game with the Silveroles proved to be a practice game for Downers Grove. The visitors did not have the class to oppose our boys and consequently lost by a large score.

All aboard for Hinsdale—and bring home the bacon.

Better Toast

Of all things she likes this most It makes such brown delicious toast.

—Mr. Electro-servo

THERE'S a lot of joy added to your breakfast time if you can make the toast during the meal. It browns evenly and is more delicious than the hit or miss flame or hot coal way of toasting it. It makes a dandy present for the wife's birthday.

is truly a picture for everyone—for your family and every family. From it, the young can learn frankness, kindness, valor and generosity. The old can find forgetfulness of trouble and taste its antidote for sorrow. And all of us who believe in Life's drama, with its chapters of gaiety and wit, owe to Du-mas a debt of gratitude. All for one, one for all.
