Hard Blow Coming.
"How about a shock absorber?" asked the man who was buying a cheap car.

"We can put one on."
"No," said the purchaser. "But I'd like to have one sent to my wife in the mail—she expects a limousine."

WIDELY-KNOWN ORATOR COMING

Granville Jones will Lecture at Chautauqua Here.

Audience will Hear Masterly Address on "The Creed of America."

Granville Jones, who will lecture here at the coming Redpath Chautauqua on "The Creed of America," is one of the notable orators of the day. He is known as a thorough student of present-day social phenomena, and

GRANVILLE JONES

what he has to say on the platform is based on careful observation and conscientious investigation.

Granville Jones is pre-eminently "human." The moment he begins to speak his hearers are aware that they are listening to a man who understands life and people. It is this deep feeling for his fellows which gives to all his lectures a highly inspirational note.

Mr. Jones is a staff lecturer of the International Lions Clubs.

True Economist.
He was an ingenious and ingenious small boy. "Mother," he said on one occasion, "will you wash my face?"

"Why, Hugh, can't you do that?"

"Yes mother, I can, but I'll have to wet my hands, and they don't need it."

The morning service is planned for the observance of the Lord's Supper, Baptism and the receiving of new members into the church.

"Friendships that Lift," will be the theme of the evening service message. Wednesday evening—Bible Study, Prayer and Conference meeting at 7:30 o'clock.

Sunday School and Church annual picnic at Geneva Park on Saturday, July first. The new phone number at the parsonage is Naperville 869-W-1-X.

Mrs. August Lasanska visited relatives in Naperville Tuesday.

Master Jerome Murray, of Chicago visited former neighbors here Tuesday.

Miss Carolyn Lenz of Naperville, who will teach the upper grades of our local school was a caller in Lisle Tuesday.

Two Cook county road construction trucks collided in the Lisle subway.

His Ailment Diagnosed.

"Water!" yelled the fervent orator, "Aqua, aqua!" he shouted, lapsing into Latin, his mother tongue. "Aqua pura! The greatest gift of Nature to thirsty man! What would the ocean be without water? Answer me that? What—"

That question had never struck his audience before. They pondered in silence.

"Water!" cried the orator again. "What would Niagara falls be without water?"

Another stupendous question. His audience stirred restlessly; his arguments were too much for them.

"Of what use," screamed the speaker, "would our bathtubs be without clean, beautiful water?"

As one man the audience turned and left the hall, perhaps to consider outside the orator's brainy conundrums. But one ignorant fellow said to another: "That man has water on the brain!" —Houston Post.

Considerable damage was done to one of the trucks and consequently traffic was blocked for some time.

Mr and Mrs Geo. DuMoulin and Mr John Liss motored to Clinton, Iowa Sunday. They left home at 6 o'clock and spent a delightful day riding, sight-seeing, and eating their basket lunch out of doors and returned home the same evening.

The Lisle Community Club met at the school house Thursday night to plan for the coming Community Fair. A committee was chosen to pick out a possible site for the Fair. Watch for further particulars later.
