LEHMANN — MOELLER

A very pretty home wedding was celebrated in the presence of about seventy-five relatives and friends at eight o'clock Wednesday evening when Miss Mildred C. Lehmann, the daughter of Mr. and Mrs. Wm. Lehmann, of Saratoga avenue, became the bride of Mr. Fred Moeller, son of Mr. Henry Moeller, of Schaumburg, Illinois.

The Rev. Otto Arndt, pastor of the Immanuel Lutheran church officiated performing the beautiful double ring ceremony which made them man and wife.

The bride, beautifully gowned in white beaded georgette, wearing a veil and carrying a shower bouquet of white roses and sweet peas, was attended by the Misses Martha Moeller, of the Grove, Martha Niebuhr, of Gibbon, Minnesota and Frances Zander, of Thornton. The bridesmaids wore the rainbow colors in organza and corsage bouquets of sweet peas to match their gowns. Their attendants were Arthur Hageman, Irvin Posse and Fred Lehmann, all of Downers Grove.

Following the ceremony a wedding supper was served in the rooms which were beautifully decorated for the occasion. The large wedding cake, furnished by the Ross Bakery was cut by the bride and pieces distributed to all the guests.

Mr. and Mrs. Moeller will make their home on a farm near Palatine.

The ceremony was read at high noon by the Rev. G. A. Larsen. Preceding the ceremony, "Oh Promise Me," was sung by Miss Worthy Wing.

As Miss Ruth Woldy rendered Mendelssohn's Wedding March the bridal procession with the bride escorted by her father, entered the living room where the marriage rites were read underneath a beautifully arranged trellised bower.

LOCUSTS ABOUT GONE

The seventeen year "locust" has just about disappeared from our midst. This festive insect leaves nothing but the memory of some persistent singing and quite a number of dead twigs on the trees of the village to mark his six week stay among us after seventeen years in the bosom of Mother Earth. Many, many changes will have taken place before the next brood makes its bow.

United States Stamps.

The United States did not issue stamps until about 1842. The number of varieties from 1842 to 1920 inclusive, was 1,007, or between 27 and 28 a year. From 1901 to 1920, inclusive, 404 varieties of United States stamps appeared.
