EAST GROVE LOTS FOR SALE

To those renting this may be of interest. We have East Grove lots, 2 or 3 in a place with good street trees, up to 30 years old, convenient to the station, with 50 trains, with water, gas and electricity going in, within the new village, and school district, where there are neighbors, and stores, good roads and telephone service; Chicago and village stores deliver; most desirable lots at \$150 per foot and others as low as \$150 per lot, on terms of \$25 to \$50 down, then \$10 per month, or other terms to suit, where you can build a garage or house, and save the rent you now pay, applying this to buying instead of renting.

Fredenhagen's Agency owns several hundred lots, all are clear with a good abstract showing a good title, which goes with the land, that you can look over, and suit yourself as to location, price and terms, and if you are in time before the zoning ordinance is passed, you may build as you please too, otherwise it may be different, and the prices higher.

How to start. Come to this office and select your lots, tell us what terms you need, and make a start, and do it now, or buy something ready built, if we have it, on easy terms too, which we will try and arrange.

Buy now while prices are low, and before the many improvements now going in double the price, which is sure to happen.

We have many satisfied customers now living in their new places to refer to and to give you an idea how they do; all save rent and will soon own their homes clear.
