

A pretty home is never complete unless the proper color and quality window shades are used.

Hundreds of homes in Downers Grove, Westmont, Hinsdale, Belmont and this community will recommend that our shades are the best and the work satisfactory. We contract to hang your window shades, curtain rods, curtain poles, porch shades, sun porch shades, etc.

We sell and lay linoleums, congoleum rugs, etc.

YOUR OWN HOME

The revolt against rent-paying is growing — there is a wide-spread revival of the ideals of the early American settlers when every family owned the roof over its head. The country is now in the middle of what is probably the greatest home-building movement in the history of the world.

BUILD NOW

Probably ninety per cent of those who wish to build lack the ready cash to handle their home building. Don't let that deter you. We can lend financial assistance which will entail no greater obligations than every rent payer has to meet. Instead of paying rent, your rent money goes toward the purchase of your home.

Let me give you the advantage of my years of building experience. Plans and estimates furnished.

BECOME A HOME OWNER IN THE BEST MANNER

LET US FURNISH THAT NEW HOME

THERE'S NO CONTENT LIKE HOME CONTENT

The big thought of America now is the thought of "The Home." We're all reaching out for, persistently seeking, happiness for ourselves and those we love. Home-making is the greatest individual thing in the life of each one of us. For "home-making hearts are happiest."

This home for ourselves and our loved ones—it's of our own making. In our home we furnish the setting for life's richest joys and keenest pleasures. In our home we build the foundation of fulsome family content. We give the home a soul.

We would make it a cheerful place—this home of ours. With colorful draperies, soft-toned rugs, deep-cushioned furniture and mellow lamps we would have its very atmosphere reflect contentment.

Cheerfulness! Happiness! Joy of living! — find fullest expression in home life. To all mankind we say: "There's No Place Like Home—There's No Content Like Home Content!"

Let us furnish that new home. Our branch store here in Downers Grove contains but a small part of the furniture we handle. Our prices are lower than those of the Chicago furniture stores, and our own service is unexcelled.

We can furnish every article of furniture necessary from cellar to garret.

"Company Coming!"

The lucky housewife who possesses a snow white, Kohler-equipped bathroom is proud to tell her visitors to "run on upstairs and clean up a bit." She knows that the glistening enameled surface of the graceful lavatory and tub will not only arouse the admiration and envy of her friends, but will speak volumes for her good judgment as well.

Here is the Kohler "Viceroy" tub. Let us install one or more of these beautiful fixtures in your home. Our plumbing judgment is mature. Our work is prompt, neat and lasting. Our prices are satisfactory.

The Life of that Home

—depends almost entirely upon your judgment—in PAINT.

Your home or buildings will last just as long as the outer surface or "skin." Putting a good "skin" on both the inside and outside of your home protects all. Corroding elements of nature are guarded away by good paint on the outside. The wear inside—comes from kitchen steam, gas, soot, scouring, walking. Interior decorating is my specialty.

Let me estimate on the finishing of your new home or re-painting your old one.
