Evelyn and Raymond Hubbert were among the local visitors at the big Central States fair at Aurora last Friday.

Mr and Mrs Howard P. Jones, of Gilbert avenue, left Wednesday for Burlington, Vermont. They will visit in that vicinity with relatives and friends for two weeks.

Margaret Grout motored to Wilmette with Mr and Mrs Good last Sunday. She will visit Ravinia and spend the week end in Chicago as the guest of Miss Helen Mead.

Grove Chapter, No. 230, R. A. M., will hold its first meeting after the summer vacation on Thursday evening, September 7. The chapter is preparing for a busy winter, not only in the lodge room but in a social way.

The Ladies Aid society of the Congregational church will hold its regular meeting on Thursday, September 7 at 1:30 o'clock p. m. in the church parlors. All members and friends are cordially invited to be present.

During the electrical storm last Friday evening lightning struck the Marshall McKenzie home in Farley place doing considerable damage and setting fire to the building. It was extinguished without the aid of the fire department.

The "Auto Mart," the garage built by Peter Knippen at the corner of Highland avenue and the Cannon Ball trail, is now open and ready for

business. Mr. Knippen is of the opinion that the traffic on this concrete highway will rival that on Roosevelt road next summer.

The new Chandler & Price platen press with the Miller automatic feeder attached, which was purchased several weeks ago by The Reporter, is now running in our job department. The press and feeder are known as the "Craftsman" unit. The work turned out is excellent and the outfit seems to be almost human in its work. It can be seen running in the press room almost any time.

Miss Ruth Hughes has accepted the position as clerk in the office of Mr. J. F. Reed, superintendent of schools. Mrs. H. S. Sherman, of Saratoga avenue, had the bones in her left wrist crushed in a peculiar accident Tuesday afternoon. She had her arm out of the machine she was driving as a signal that she was about to turn when Ed Otto's truck, backing to turn around, caught her wrist between the end of the truck and the side of the Sherman car, crushing it.

The Plank road, which is being cemented between Fullersburg and Aurora, is now open from the Westmont road to the Lisle road. Riding over this smooth concrete is vastly different than traveling over the same road this spring. It doesn't seem possible that the old Plank road has been hard surfaced. The contractor working on the east end has progressed until he is but a few blocks from joining up with the concrete running to the Cook county line and we will be riding in on cement by October 30.

Sunday, September 10 will be dedicated to the young people at Saint Andrews church. There will be a corporate communion of the club at 7:30 a. m. The pastor will speak at 11 a. m. upon the topic, "What are the Young People Seeking?" At 6 o'clock will occur the annual meeting and election of officers of the club. A light supper will be served at the church before the meeting. Mr and Mrs Chas. Scott of S. Marks parish, Evanston, leaders of activities of the young people in the Diocese of Chicago, will be the guests of the club. All members are asked to be present.

**COACH IS READY TO START HIGH FOOTBALL WORK**

Following is a letter from G. B. Reeve who will coach the high school athletic teams here this season and teach mathematics. He is a graduate of Knox college where he starred on the football and basketball teams and is an all around athlete.

J. C. "Tommy" Rogers, who was coach here for two seasons, will take the medicine and surgery course at the Rush Medical school and will be greatly missed when school opens this year.

Jacksonville, Ill. Aug. 25  
 Mr. J. F. Reed, Dear Sir:  
 The time for the opening of school is drawing near and I want to enter my work fully prepared so I am planning to come to Downers Grove on Monday the 28 to spend the day getting familiar with the surroundings. \* \* \* I was fortunate enough to see Mr. Rogers before I left Knox in the spring and get a line up on the football team and the men in general. The fact of the matter is that I can hardly wait until school starts to call the first foot ball practice and begin to develop a team that will well represent Downers Grove. \* \* \*  
 Sincerely,  
 G. B. Reeve
