142 ENROLLED AT SAINT JOSEPH'S PARISH SCHOOL

Sister Michelle, Principal, Assisted
By Four Able Teachers—Public
Examinations

St. Joseph's parish school reopened Tuesday morning with an attendance of 142 children. This is the largest enrollment since the school was established twelve years ago. The rooms have been renovated and the seating capacity increased. There has been a change in the teaching staff. The principal is now Sister Michelle and she is assisted by four able teachers who have been very successful in Oak Park and Springfield. The former principal, Sister Josephine is now head of the large parish school in Granite City.

Some changes have also been introduced into the curriculum of studies, although the prescribed course of the public and parochial schools of Chicago is still closely followed. The high standard of the past will be retained and the children in all of the eight grades will be encouraged by various means to do their best work. Special attention will be given in all the grades this year to nature drawing and essays on the results of nature study will be required of all children in the higher grades. Another feature of interest to parents will be the monthly public exhibitions of work done during the preceding month. These will be supplemented by monthly public oral examinations.

BOYS HOME FROM GREAT TIME AT CAMP DUNCAN

Richard Drees Member of Tent Crew
to Secure Shield for Highest
All-around Athletic Score

A dozen boys from DuPage county arrived at Round Lake, Ill. hiked to camp Tuesday, August 29 and enjoyed one of the finest vacations ever given by the Y. M. C. A. The camp consists of a dining hall and a group of sixteen tents placed on a wooded knoll overlooking Fish lake, a real place to swim.

The DuPage group occupied two tents and during the period were known as the Owls and the Buffaloes. The program of athletics scheduled competitive sports both for groups and individuals and in every game competition was keen.

The camp fire sings at night with jokes, stories and quiet talks were something long to be remembered. And last but not least were the three times a day visit to the dining hall where the boys all showed proof of good health.

A shield was donated by Camp Duncan to the group of boys securing the most points in various athletics and tent inspection. The shield was won by the Buffalo tent and will be on display in various towns in the county. The following boys helped win it: Richard Drees, Downers; Amos Marston, Gardiner Grange and Herbert Ermeling, Wheaton; Aldin Fork, Glen Ellyn and Kenneth Christy, Villa Park.

Jenness was formerly pastor of the M. E. church here. He has been on the lecture platform and engaged in special work for his denomination. He will sail September 21.

VILLAGE COUNCIL ASSUMES BALANCE FIRE TRUCK DEBT

To Pay all Remaining Notes on Fire
Fighting Equipment Purchased
by the Fire Department

No more will Mr. Man-on-the-street be approached by one of the local firemen with the request to donate to the fire truck fund or to buy a raffle ticket for this or that to help pay for this needed bit of community property. The village council has taken over the balance of the debt on the truck and the notes will be paid out of village funds.

A few weeks ago Henry Dicke, the Fire Chief, attended a meeting of the council. He said he had heard that they were willing to pay the balance of the notes, one was due and asked for permission to run another raffle in the event that such a proceeding would be necessary. The council unanimously agreed that the balance should be paid by the village and so acted.

The cost of the truck and equipment was a little over \$9,000 and there is about \$2,000 still to be paid.

TWENTY BOYS HAD A GREAT TIME AT BOY SCOUTS CAMP

The Rev. A. S. Phelps Led Older Fel-
lows in Wonderful Two Weeks
at Lake Delevan, Wis.

A happy crowd of young fellows, led by the Rev. A. S. Phelps of the Congregational church, returned on Tuesday from a wonderful two-week camping trip to Lake Delevan. The boys were members of the church, ex-boy scouts and several others of the community.

Due to the kindness of the West Suburban Council, Boy Scouts, the tents and equipment of that organization were used. Mrs. Phelps, wife of the pastor, did the cooking and wonderful were the meals she set before the hungry campers.

Boating, bathing, hiking, all under competent supervision, were the pastimes and while no regular camp routine, other than a time to get up, a time for meals and a time to go to bed, was followed, the fellows always had something interesting to do and did it.

Those in the party were: George Bunge, William Kuetemeyer, Doyle Moore, Evan Gollan, Kent Kingsley, Jack Vaughn, Horace Waples, Horace Barnhart, William Boon, Robt. Knoblauch, Wilfred Pape, Robert Wolf, Donald VanValen, Harold Phelps, Gorge Ray, William Ray, Arthur and LeRoy Phelps, Jack Reed and Edwin Graves.

Those who drove up to the camp for a visit during the two weeks were Messrs and Mesdames G. H. Bunge, W. W. Heintz, J. W. Adams, Ed. F. Lacey, W. Vaughn and W. H. Ray.

MANY ATTENDED FIREMAN PICNIC HERE LABOR DAY

Crowd Swamps Stands at Belmont
and Forest Avenues in
Evening

The Downers Grove Volunteer Fire Department had an exceptionally fine crowd at their Labor Day picnic at Belmont and Forest avenues. That is the evening crowd was great and had there been that many all day they would have made money. Too many other afternoon attractions around the county kept them away during the day, however, and the profits were not very large.

This is the last of a series of summer picnics given by the fire boys.

LISLE-DUPAGE COUNTY FAIR SEPT. 15 AND 16

LISLE FAIR MANAGER
WANTS LOCAL MEN
TO GET CONCESSIONS

Graham Wylie Says Only One Down-
ers Grove Man Has Made
an Application

As a usual thing the concessions at county fairs are money makers. Graham Wylie, manager of the fair to be given next week at Lisle says that every concession last year made money and thinks they should make more this. He is desirous of having as many local people manage the concessions as possible as he thinks the profits should stay in the community.

To date only one Downers Grove man has made an application for space. Mr. Wylie will be at the grounds every afternoon and evening starting today or may be reached at his home in Oswego.

BADLY INJURED WHEN AUTO SKIDS AND TURNS OVER

Mrs. Mary Lamon, of Chicago, Cut in
Head While Hurrying to
Wedding Here

Mrs. Mary Lamon, of Oak Park, was severely injured Monday morning when the car in which she and her family were riding skidded and turned turtle on Highland avenue south of Roosevelt road. The party were on their way to St. Joseph's church here to attend the wedding of Wm. Brady, Mrs. Lamon's nephew, when the accident happened.

She was rushed to Dr. Gourleys where first aid was administered and no serious results are looked for. The other members of the party, although pinned under the car, escaped with but a little shaking up and a few bruises.

PLANE TO SCATTER BILLS OVER MAIN STREET SATURDAY

James Curry, Aurora Aviator, Who is
to Carry Passengers at Lisle
Fair to Fly Over Village

James Curry, an aviator from Aurora, will fly over the village and just above the trees down Main street tomorrow afternoon. As he flies he will scatter handfuls of bills advertising the Lisle-DuPage County Fair and Stock Show to be held next Friday and Saturday.

Curry will have several planes at the fair and will carry passengers. The usual charges will be made. The ship will fly down Main street about two o'clock and will also cover the entire county spreading propaganda. Ex-service men will be reminded of days in France when our own and enemy planes went forth on similar missions.

NO PARKING SIGNS NOW DECORATING SEVERAL STREETS

Village Council Orders Warning
Signs for Congested Village
Meeting Places

As advocated over a year ago by The Reporter, no parking signs have been placed on various streets in the village where autos were wont to park on both sides of the street leaving only a narrow lane between them.

These signs have been placed at the garages, the Dicke theatre and at the Methodist and Catholic places of worship. They should be obeyed by all local motorists and we know that visitors will obey them.

DARE DEVIL STUNT
TO BE PULLED OFF
AT THE LISLE FAIR

"Dyanshine" to be Dragged Over the
Ground Tied Behind Speed-
ing Automobile

An attraction unique in fair annals will be seen at the Lisle fair next week when "Dare Devil Dyanshine" will be dragged over the ground tied behind a speeding automobile. He is clad only in a plain khaki suit and the stunt is the result of a wager.

Dyanshine, his real name is unknown and the pseudonym is an advertising scheme, made a bet he could go from his home in Texas to Maine, without begging and without working. He gets his money by performing such stunts as the above and others equally dare-devilish, to coin a word. The attraction is a free one.

BOY SCOUTS HAVE CHARGE FIRST AID AT THE LISLE FAIR

Especially Trained Boys From Os-
wego Will Cover Grounds at
Lisle Sept. 15-16

A troop of especially trained First Aid Scouts, from Oswego, Ill., under the direction of Scout Official Graham Wylie will cover the grounds of the Lisle-DuPage Fair & Stock Show in organized patrols to give attention to every case, or to remove the patient to the hospital tent where medical attention will be rendered.

Other scouts will serve as orderlies to the superintendents of the different departments. Others will conduct a "lost and found" bureau for the children and dispense information to those seeking it.

In order to render this service efficiently these scouts have been for some time past and still are under intensive training and expert leadership. Their camp will be open for the public inspection at all times and will gladly answer any questions put them relating to Scout work.

Another of their numerous duties at the grounds will be the care of the parking of cars and compliance with their directions will be greatly appreciated by the fair officials.

"Service to Others" is a fundamental principle of scouting and it is the foundation of good citizenship and is best taught and developed through actual service to the common welfare. You will find these boys ready at all times to be of service to you.

BECKER - BRADY

The beautiful ceremony of the wedding mass brought Margaret Becker, of Chicago and William Brady of North Forest avenue, together as husband and wife Monday morning. The Rev. E. B. Goodwin, pastor of the church, who performed the ceremony, expressed the thoughts of numerous friends of the happy couple when he wished them happiness and prosperity in years to come.

The bride wore a gown of canton crepe draped with Chantilly lace. Her tulle veil was held up with pearls an heirloom of the family which gave the finishing touch to her stunning costume. The brides maid, Miss Mary Becker, sister of the bride, wore a gown of pink crepe de chine and carried a bouquet of American beauties. The bride was nearly hidden by a huge shower bouquet of sweetheart roses. The ring was borne by Dorothy Brady, sister of the groom, who led the stately procession to the altar where the bride left the arm of Mr. P. J. Reiff a close friend of the family. The groom was attended by his friend, Lester Reiff, who has been closely associated with both bride and groom for a number of years.

After the ceremony the bridal party adjourned to the Brady home where they partook of a bounteous breakfast. The days entertainment was climaxed when a number of the groom's friends arrived and all made merry until late in the evening.

Mr and Mrs Brady will make their home for the present with the groom's parents.

Even though the boys of the Congregational Christian Endeavor Society were at Lake Delevan Sunday, the society had a fine meeting. It was led by Miss Margaret Hitchcock and sixteen girls were present.

CHORAL SOCIETY FIRST REHEARSAL IS SEPTEMBER 15

Second Season's Work Opens Next
Week at Junior Element-
ary School

The West Suburban Choral Society will hold its first rehearsal of the season on Friday evening, Sept. 15, at 8 o'clock in the Junior Elementary school building on Grove street. The change in date from Thursday to Friday was made so that no interference would be made with the village activities.

The great success of the past season was largely the result of the inspired and painstaking work of the director, Mr. Pape, and a larger membership is desired so that his vision of musical leadership may be expressed more widely in the community.

It is hoped that every member of the society will be in attendance at the first rehearsal. Notices have been mailed to all members with blanks enclosed to enable them to enroll new members from among their friends. These blanks may be secured from any member, or from the secretary, W. J. O'Neill. All interested in joining the chorus are urged to get their applications into the hands of the secretary or some member of the organization at the earliest possible date.

The board of managers will meet at the home of the president, Mrs. Weinheimer, at 8 p. m., Tuesday, Sept. 12. Every member is earnestly requested to be present.

LAW ENFORCEMENT FLYING SQUADRON TO VISIT DU PAGE

Three-Day Series of Prohibition
Meetings Are to Be Held at
Wheaton Sept. 14-16

The Flying Squadron, a group of National speakers called a "University in Motion, a Convention on Wheels," will reach Wheaton for a series of six meetings, to be held in the First Baptist Church, Thursday, Friday and Saturday, September 14, 15 and 16, at 2:45 and 7:45.

This group of National speakers is making a nation-wide tour in the interests of Law Enforcement, Civic Righteousness and Social and Industrial Justice. The coming of the squadron is endorsed by all who favor Law Enforcement.

This year thirty-two senators, one-third of the total number, will be elected to Congress. The wets are making a desperate and united effort, laying their plans as they are at present time, to secure the election of wet men. Will we permit them to do it? Unless the dry do a "lost and found" bureau for and that at once, there is grave danger of their accomplishing their purpose. The indifference of the people on this subject at the present time is truly alarming.

The wet interests have announced their intention to break down the enforcement of the law and to bring back beer and wine, by modification of the Volstead Act. They are making a deadly assault on the Constitution itself, and, therefore, upon our very form of government.

The speakers of the Flying Squadron are:

First group—First day: Dr. D. Leigh Colvin, Hon. Frank S. Regan. Second group—second day: James Woertendyke. Third group—third day: Hon. Oliver W. Stewart, Rev. Norma C. Brown.

Admission: free silver collection will be taken.

The Womans Missionary Society of the Congregational church will hold a missionary tea at the home of Mrs. J. W. Graves in Highland avenue on Thursday, September 14. All members and friends are urged to be present.
