#### ONCE MORE — THE SCHOOL SITUATION

There is, in our opinion, but one solution to the school situation in this district and that is the formation of a separate district to take over the high school and run it as it should be run. There may be others, but to date no one has come forth with any suggestions.

It is impossible to continue a four year high school course and maintain the grade schools at a high standard with the present school taxes. We might cut the high school curriculum; we might have a three year instead of a four year course; we might cut the high school entirely for two or three years until the time when we have sufficient money ahead to again operate it. But is there a person in the community so behind the times that any of these solutions would appeal to them?

We don't want to go backward one iota when the education of the children of this community is at stake. Rather do we desire to go forward, always making the schools a little better and consequently giving all students a better chance to battle with life's problems by having a better education.

We must face the facts. The children of the grade schools are not receiving the best, in fact they are herded together in overcrowded, unsanitary rooms, with toilet facilities that are a disgrace, forced to use artificial illumination in the day time and with the chance of an epidemic of some disease running through the rooms because of these conditions.

Something must be done. If the present conditions are not remedied we will have many families sell their places, because the first question asked when people contemplate moving here is, "How are your schools." When we fight for good schools we do not fight for the welfare children alone. We have a more selfish motive. We fight for the welfare of ourselves and of the entire community, the business men, those who own property here, everyone. Can't you see it?

#### 'RAW FOR UTOPIA!'

Since it is now a well known and amply demonstrated fact that most of us are looking for nothing to do and big pay for doing it, let us all band together in one big Soviet, lambast the plutocrat on the bean, take away his swollen fortune, divide it up and then march in one solid phalanx to the great and glorious country of Utopia, there to dwell in peace, prosperity, luxury, and one continued siesta. We don't exactly know what a phalanx is, or where Utopia is, but no matter—we'll go there anyway. The altogether damnable Republican and Democratic parties must be buried deep into the gumbo, along with the plutes, for only then can the proletariat and soviet get a fair shake. Down with railroads, banks and clean shirts! The Democratic party was in power for eight years, and what did it do? Plunged us into war and raised the price of living so that only the rich could look a beefsteak in the face! Also, crops were not as good as they should have been, the close of Wilson term showing hundreds of millions more potato bugs in the country than ever before, not to mention other kinds of bugs! There was also starvation in Armenia and great suffering in Belgium! Then came the Republican party again, and just look at things now! Millions starving in China, more millions starving in Russia, and the rest of us hardly know where our next petit-fair-grass and joy ride is coming from! Just look at its foreign policy! Turks and Greeks, Ulsterites and Irish, north and south, Poles, Curds and Wheys fighting all the time! And what they did to the farmers. Didn't even give them as much rainfall as the Democrats did! Just see how hot it gets in summer, and how cold in winter, bringing suffering to thousands of innocent taxpayers!—Maywood Herald.

#### ABOUT HEARST

William Randolph Hearst has been defeated by his Democratic friends in New York State but he continues to think he owns the political future of the country. As a matter of fact he and his papers, with the editorial

### YORK COMMUNITY H. S. AND LOCALS PLAY TOMORROW

First Game of Season to be Played on New Field Here—"Purple" in Tie Game.

Leading by a score of 6 to 0 until less than five minutes of the final quarter was left to play in, the D. G. H. S. football squad came back from a tie game 6 to 6 with the J. Sterling Morton school last Saturday jubilant that they were not defeated by the much heavier team and blue because their lone touchdown did not stand up.

The showing made by the locals against this team seems to indicate that they will go through the season with many victories and few defeats. They are light, but awfully fast. The same reason for their defeat at the hands of Wheaton last year, lack of weight, is the only reason why they may not be able to win every game. They are gamey, they are determined to show the world that the "Purple" squad are fighters, but they lack just a little beef.

In the first game of the season against a county team, they will meet York community high school on the new local field between the railroad tracks and Rogers street. The field has been rolled and is in good playing condition. The game will be played tomorrow afternoon, October 7 and football fans are looking forward to the first chance this season of seeing the locals in action.

The line up of Saturday's game was as follows:

- Frank McNally—Center
- Lyman Dum—Right Guard
- Donald VanValen—Left Guard
- Ray Klien—Right Tackle
- Eugene Foster—Left Tackle
- Harry Putnam—Right End
- Clifford Sedgwick—Left End
- William Boon—Quarter
- Edward Baron—Right Half
- Louis Stevenson—Left Half
- Leibundguth—Full Back

The entire team played without a substitution until the last quarter when Horace Barnhart was put in at left end to relieve Sedgwick.

Harry Putnam and Ed. Baron proved that they were wonders on offense and Louis Stevenson and Cliff. Sedgwick on defense in Saturday's game. Robert Andrus and Welton Cross are two of the promising subs waiting for a chance to get into the scrimmage tomorrow.

policy of one Brisbane, are dangerous to the well being of the United States in so far as they teach class hatred. Hearst is not favorably looked upon in his own bailiwick as has been shown in the recent action in New York.—Kendall County News.

### HI Y CONFERENCE IN CHICAGO WAS A BIG SUCCESS

Excellent Speakers Over Week End—State Conference Dec. 1 to 3 at Peoria.

The Hi Y Conference which was held last Saturday and Sunday at the West Side Y M C A was a huge success. It started Saturday at 6:30 p. m. with a supper in the club room. At this time every one was called on and it was up to him to introduce himself, told where he was in school, etc. After supper Mr. McClelland, of Madras, India, gave a very fine talk. He told of the boy life in India and also showed several pictures of natural conditions there. After Mr. McClelland, Mr. Boyd Walker discussed plans for the older boys conference which will be held at Peoria December 1, 2, and 3. Next was what is to be known as the Official Welcome of new members into the Hi Y club, which was very impressive. Then, bed time, the boys slept in the gymnasium, or rather some slept and some didn't. The boys had the use of the swimming pool and the showers. At 7:30 Sunday morning breakfast was prepared and served by the boys. Following this the boys enjoyed a fine talk by Mr. Raymond Vance, secretary of the West Side Y M C A. What is the Hi Y? by Fred Arhbecker of the Austin High School was followed by discussions by the boys. J. P. Hargrove took Mr. Biglow's place on the program and talked on the 40's campaign. Mr. Biglow was sick and could not be with the boys. Next Mr. Bert Johnson talked on Bible study, which was very interesting. At 12:30 dinner was served and following this Mr. Boyd J. Walker gave the closing message. After this the boys left for home.

For some people who do not know the purpose of the Hi Y club read the following:

The Hi Y club is an organization for High School boys, carried on by the boys with the aid of a faculty advisor and committee of adults. The purpose: To create, maintain and extend through the school and community high standards of Christian character. The four planks in their platform are clean scholarship, clean athletics, clean speech and clean living.

#### ANNOUNCEMENT

We wish to express our sincerest thanks to the Downers Grove firemen and citizens for their great help in our recent fire.

Very truly yours,  
DOWNERS GROVE LAUNDRY

### 1922-23 SEASON OF WOMANS CLUB TO OPEN MONDAY

Reception at Junior Elementary School in Grove Street—Fine Program.

The 1922-23 season of the Downers Grove Womens club opens next Monday evening, October, with a reception at the Junior Elementary school in Grove street. Each member is entitled to bring two guests and it is expected that the club year will open with bright prospects.

A special feature of the evening will be the splendid musical program. Miss Esther Munsterman, who was formerly a teacher in the local schools and is now a contralto singer of note, will give several numbers. Miss Anna Daze, pianist, will play several selections. These are two musicians with reputations.

The first regular meeting of the club will be held next Wednesday, October 11. The annual one o'clock luncheon will be served at the Methodist church by the ladies aid society and tickets at 75 cents per plate may be secured from any member of the House and Social committee. The business meeting and program will be held in the auditorium of the church.

The program will consist of vocal selections by Mrs. A. G. Michel, accompanied by Miss Adelaide Walter. Rose Reinhart Anthon will give a lecture, "Seven Years in a Hindoo Palace," said to be one of the best lectures given before the clubs of this district.

It is hoped all club members will avail themselves of the opportunity of hearing these splendid programs.

Mrs. A. H. Barnhart, the newly elected president of the club, will take up her duties and all good wishes for a splendid club year are expressed.

#### When Fish Meets Fish

Paul Herring of this village and his brother-in-law, Dr. Frank Pickrel, of Chicago, have gone to Twin Lakes, Mich., in quest of members of the "finny tribe." Paul left eagerly anticipating the joy of a family reunion of the "fish" family, but avowed that luck or no luck they would at least return with a "pickrel" and a "herring."

#### CARD OF THANKS

We wish to thank our friends and neighbors for their sympathy and kindness and for the floral offerings during the illness and after the death of our wife and mother.

Thos. Bunning and Sons.

### MRS. THOS. BUNNING

Funeral services were held last Saturday morning, September 30, for Mrs. Thomas Bunning of Gilbert avenue who passed away last Thursday following a long illness. The services were conducted at St. Joseph's church, the Rev. Eneas B. Goodwin, pastor, officiating. Burial was made at SS. Peter and Paul cemetery at Naperville, the Rev. Fr. Schuette, pastor of the church officiating at the grave.

Mrs. Bunning, nee Margaret Schumpp, was a daughter of Henry and Catherine Schumpp, who left their home in Alsace, France, in 1840 and settled on what is now the Timke farm in South Main street, in 1843. They were one of the first families

to settle in the vicinity of Downers Grove. Mrs. Bunning was born on April 15, 1849 in the house which is still standing and in use on the farm. She attended the small schools of the day and was married to Thos. Bunning June 26, 1878 and has lived in the present Bunning home for nearly thirty years.

Three children were born, one daughter, Rose, having passed away several years ago. Left to mourn her loss are her two sons, LeRoy and Lauren and her husband.

A faithful worker in the church, a kind neighbor and a good wife and mother, she will be missed in the community.
