Rev. G. H. Newland leaves for Princeton for the Annual Conference. The local budget which is all paid is nearly six thousand dollars while the total benevolences reached twentyfive hundred and fifty dollars. The total membreship is four hundred and twenty-five for the local M. E. church. The officials voted to purchase a new five thousand dollar organ at their meeting October 3. It is expected that Rev. Newland will be returned as pastor for next year.

Sinday, October 8, 1922. 2:00 p. m. Sunday School, Old Testament characters discussed and recommendede as examples Christian conduct. All children in-

2:45 p. m. German Service. Next Sunday's sermon will be based on the Gospel lesson for the day and will deal with "Christ's instruction regarding the keeping of the Sabbath." The same Sabbath fan atics that made the life of Jesus miserable at times are at work also in our days, insisting upon all manner of outward observances of Sunday. though many of them are not one whit concerned about the preaching of the Gospel. To sanctify the Salebath means to hear God's word and to help our neighbor wherever possible. Are you looking it in this way. There is a wealth of meaning in the phrase "Just a Real Good Car." In it are incorporated the ideals of W. C. Durant's thirty-five years' experience as a manufactur-er of vehicles, as a builder of more than two million automobiles. The Durant brought fame to itself in a short time for it does its work well. It keeps going every day. It is not a bother. The mechanism is hardly ever brought to the attention of the owner. It piles up mileage without any appreciable wear and does this at

The Durant Car represents sound mechanical design; simplicity of construction; dependability and durability; power for all occasions, easily controlled; real riding comfort; appearance that is modern and always in good taste; completeness of appointments and equipment; and economy in operation. These are the qualities which justify the phrase

Social Calls By Long Distance

Keep in touch with your friends in other cities by means of the Bell Long Distance telephone system.

Long distance telephone calls have that personal touch which even the most personal of letters lackand are equal to two letters—the one you write and the reply. Besides, they tellin minutes what the written word takes hours or days to transmit.

Evening and night rates for "stationto-station" calls are lower than day rates. From 8:39 p. m. until midnight the evening rate of a little over onehalf the day rate applies. From midnight to 4:30 a.m. the night rate of about one-fourth the day rate is in effect.
