STATE APPROVAL FOR COUNTY HARD HIGHWAYS PLAN

Committee Inspected Test Road at Springfield Last Week— Election Soon.

Practical assurance that the state highway department would approve the DuPage county plan for state aid road construction was received by a committee of the Board of Supervisors at Springfield last week.

While no date has been set for the special election on the bond issue, it has been decided that it will be held in the latter part of November.

While in Springfield the committee were taken to the test road, built by the state to ascertain which type of pavement is the best. Twenty-five foot stretches of various kinds of brick and concrete pavement were laid. Then loaded trucks were driven over the road with various loads and the results noted.

New Connecting Road At a joint meeting of the hard road committees of the county boards of Kane and DuPage held at Wheaton last Monday it was decided that an "air line" cement road be built from Gary's Mills, west to Batavia.
