CHIROPRACTIC

I Do Not Practice Medicine

But I do remove the cause of disease; I do correct the Misaligned Vertebrae of the spine, thereby releasing pressure from the nerves. And as to the efficiency of this method of restoring health to diseased bodies, I respectfully submit the following statistics of the 1918 flu epidemic:

- 1 out of every 16 patients died under Medical Treatments
- 1 out of every 127 patients died under Osteopathic Treatments
- 1 out of every 513 patients died under Christian Science Treatments
- 1 out of every 886 patients died under Chiropractic Adjustments

I make no charge for consultation. See me today and start yourself on the road to health.

THE DICKE THEATRE

Announces to Its Patrons

A tremendous program of big pictures for fall and winter. All the great productions—the result of the industry's new motto "Fewer and Better Pictures" will be shown at the Dicke Theatre without a single commonplace picture to mar a perfect program. During the next few weeks Downers Grove will have the opportunity of witnessing such masterpieces as The Old Homestead; Burning Sands; The Kindred of the Dust; Pink Gods; The Prisoner of Zenda; Under Two Flags; The Valley of Silent Men; The Cowboy and the Lady; The Bond Boy; The Young Diana and The Face in the Fog. Very soon, too, will be shown Constance Talmadge's latest and greatest picture "East is West," Cecil B. DeMille's "Manslaughter," Jackie Coogan in "Oliver Twist," Rodolph Valentino in "The Young Rajah"; "When Knighthood was in Flower," "To Have and to Hold" with Betty Compson and Bert Lytell; "The Pride of Palomas," "Lorna Doone" and others of the same high quality.

Below is a brief description of the pictures on this week's program—see them all or regret that you didn't.
