E. H. FLECK NOW HANDLING LINE OF CHEVROLETS

Firm of Fleck & Buchholz, Ford Dealers, No More—Buchholz is to Sell Fords

One of the most important changes in Hinsdale business concerns took place last week Monday when the firm of Fleck & Buchholz, who have sold hundreds of cars in this vicinity, was dissolved.

The change was the outcome of the desire of E. H. Fleck to take over the Chevrolet agency, while Edward Buchholz was strongly in favor of signing up a renewal of the Ford contract. Mr. Buchholz takes over the Ford agency and his brother, Henry, will be associated with him. The new firm name is Buchholz Bros.

Mr. Fleck has leased a show room of the Hinsdale Auto Co., until he can build a suitable building

The Ford agency is one of the largest in this section and the territory reaches to Cicero and south to Lemont.

The local Ford service station will be discontinued and the cars and parts, we understand, will be handled by the Downers Grove garage.

Mr. Fleck is negotiating for a local Chevrolet distributor. He has taken over the service station tin La Grange and expects to sell many of these moderate priced cars in the territory. He is figuring on plans now for one of the most convenient buildings in the vicinity for garage purposes.
