High School Notes

By "Jack," The Observer

Downers Grove high school was defeated last Saturday by Glen Ellyn 18-0. Most of Glen's gains were made on passes and through the line. D. G. H. S. made several good gains around the ends and several through the line but could not hold the heavier Glen team. Downers has no alabi only their size. Boon, Foster and Stevenson were out of the game because of their studies. In Friday practice Bill Pape broke his collar bone and this was a set-back to the second team who also lost their end by a 24-0 score.

Next first team game is with West Chicago on November 11.

Rev. Phelps gave a short talk last Friday morning which was appreciated by the students.

Had a good pep meeting last Friday morning and rehearsed a few new yells.

The high school orchestra had its first practice Monday night. Looks as if we were to have a good one.

If you were hit by a bad egg Tuesday night, it was a high school student that did the throwing. Someone threw one which hit Bill the cop on the shoulder but it didn't explode.

All together now, three cheers for Mrs Shaffer and that "prune whip."

The C. O. L. girls were delightfully entertained at the home of Mr and Mrs Geo. Hubbert, West Maple avenue, Halloween night. The girls gathered in the home in real Halloween style and played many of the old fashioned games and enjoyed them. A delightful luncheon closed a real feature occasion.

Troops two and three contest of Capture the Flag last week ended in a victory for troop 2. This troop has held the championship in this game for two years. It is rumored that three will work out a new plan of action and challenge two to another game within the near future in an effort to wrest the championship from them.

Troop 4 had knot tying and Oath and Law instruction under Scoutmaster Negel and Assistant Markham at their Monday meeting.

The scout leaders round table discussion last Wednesday resulted in several good and definite plans. Mayor Barber had approved the plan of the scouts running the village of Downers Grove November 11 but after some consideration it was agreed to postpone the date so that full course of instruction could be given the boys in voting, the duties of the Mayor, Police, Council, etc. giving them a practical start in citizenship which will be of unlimited value in the future. Messrs. Weinheimer and Sweeney, who have lately been attached to troop 2 as committeemen, are securing data on city government by boys from the Chicago Boy's Brotherhood Republic and with the cooperation of our village officials.

the scouts are to receive a high standard and interest-gripping course in citizenship.

Saturday, November 4 the scout leaders are to have an overnight hike to the Hinsdale cabin. This is to be a real rally. Camp fire inspiration will bring about programs that will do much for local scouting. Best of all the camp fire supper and the Choral society leaders, including Paine, O'Neill and Weinheimer, bed time song.

WANTED — Assistant Scoutmasters. Cooperating with the Scoutmaster, the assistant is secondary only to the scoutmaster in importance in the administration of the troop. He should have an abiding faith in the efficacy of scouting as a boy movement and a willingness to give of his own time, energy and effort to give the boys the benefit of the movement.

Some leaders are born, but nearly any man can learn the art, provided he really cares for boys, and is still enough of a boy himself, whatever

his years, to be able to enter into the youth's world.

If you are interested, phone 429-R and let's talk it over.

Library November 12-18. Special plans are being made to interest the younger folks in good books during that week.

Cause of the High Average. The percentage of fools would be greatly reduced if it were not for the men who think they know it all and the men who think they are lady-killers.

Best Yet Devised. The Master Preacher took people just as he found them and tried to help them to be better. We cannot improve upon his method.
