

RETIRE FROM "Q" AFTER 51 YEARS "ON THE ROAD"

Frank Keiser Praises the Bonus System Adopted by the Burlington Railroad.

Editor, Downers Grove Reporter. Dear Sir:

I wish to express myself in regard to the pension system adopted by the Burlington railroad. This step is certainly a grand move by the company and the officials deserve great credit for adopting the best pension system. The company has shown its appreciation for the faithful service of its employees and I think it should be appreciated by the public along its line also. The men themselves should feel that the Burlington is their best friend and speak a good word for their old employers whenever the opportunity offers. I know the public appreciates the railroad whenever they travel on other lines, it seems good to get back on the old C. B. & Q.

FRANK KEISER.
A pensioner of 51 years service.

Darling — Recktenwald

Miss Muriel Aniclaide Darling, daughter of Mr. and Mrs. Albert Earl Darling, 120 East Chicago Ave., Downers Grove, and Mr. William Arthur Recktenwald, of Chicago, were united in marriage by the Rev. H. M. MacWhorter, in St. Andrew's Episcopal church on Saturday afternoon, October 28th at four o'clock.

The bride was gowned in white crepe and carried a bouquet of bride's roses and lilies of the valley. The maid of honor, Miss Ethel Lucille Kruse, of Chicago, wore a bouquet of tea roses. Mr. Carl P. Wagner, of Chicago, attended the groom.

White roses were in vases upon the church altar and credence table. Mrs. George Batesman, organist, played the wedding marches, and Simonetti's "Madrigal" during the ceremony.

Among the guests from out of town were Mr. and Mrs. F. W. Darling, of Wautoma, Wis.; Mrs. Frances Burkhardt, of Wausau, Wis.; Mrs. Edith Horwitz, Mr. and Mrs. H. R. Gooch, Miss Helen Cummings, Mr. Allen Cummings from Austin, Mrs. Richard Hirst from Riverside, Mrs. Edgar Loveland, Mrs. William McGurn, Mr. and Mrs. Kohler, Mr. and Mrs. Earl McIntosh from Chicago.

The bridal couple and guests attended a dinner dance at the Drake on Saturday evening, and on Sunday were the guests of Mr. and Mrs. Darling for dinner. Mr. and Mrs. Recktenwald will make their home with the bride's parents for the winter.

Inbreeding of Species.

In an experiment with 680 white rats belonging to the sixteenth to the twenty-fifth generations of brothers and sisters from the same litter, it was found that close inbreeding produced no deterioration.

Trip That Takes a Million Years.

Proxima Centauri is our closest star. It moves around Alpha Centauri, which, up to a few years ago, was supposed to be the nearest. Proxima takes over a million years to travel around Alpha Centauri.

**"Hello, Dick;
This Is Mother!"**

Dick is in college, far away from home and parents, and perhaps a little homesick. The cheery voice of mother, father, sister or—perhaps sweetheart—over the long distance telephone will cheer him wonderfully.

Keep in touch by telephone with the boys and girls away at school. The cost of the service is a trifle compared with the comfort and joy of hearing the children's voices and knowing they are well and in good spirits.
