BOWLING NOTES

Mrs. Rumbaugh set a mark for the local women bowlers to shoot at last Friday afternoon when she averaged 150 for three games with scores of 137, 172 and 141. Great was the cheering of the feminine fans in the middle game when she knocked the maple for 172.

Scores shot by the local women compare favorably with those of the women teams in Chicago. They are getting better and some very good scores can be looked for before the season ends.

Last weeks scores are as follows:

Nelson Five vs. Walker Five

DOWNERS GROVE LEAGUE

As baseball players the Cubs and White Sox may be there, but as bowlers they are leading the wrong end of the Downers Grove bowling league. The Sox are in the cellar position with 15 games lost and only 9 won. The Cubs are slightly better, being in third place, but third place doesn't mean much with six teams ahead, two tied for first place and four for second. It's still anybody's race.

Scores for the week follow:

BUSINESS MEN'S LEAGUE

The Allison Tanners five are apparently tanning the hides of the other teams in the Business Men's league having a lead of one game over the flower growers of the Kidwell quintet. While the teams are rather strung out, the league is not sewed up by any one.

All Was Quiet.
At a church service when all was quiet and the congregation had been asked to pray silently, my little niece said in a loud and anxious tone when she noticed my closed eyes: "Don't go to sleep, Uncle John."—Chicago Tribune.
