To an Appreciative Husband---

Sometimes, especially in such a kindly season as Christmas always is, you probably reflect in mingled wonder and gratefulness upon the girl who cast her lot with yours. If you are fair—you have a sense of the great treasure that is yours in her day long and life long service, in the offering laid so generously upon the shrine of her affection—her home.

Wouldn't you, this Christmas, give her some thing that would speak your thoughts of her, and that at the same time could lighten the endless round of daily labor she so willingly performs?

The Hamilton Beach Vacuum is such a gift. It is a helper that gently vibrates out from the rug depths all nap-wearing, disease-laden grit, erects crushed nap, picks up all surface litter, freshens colors and cleans by air.

Give the woman who is your wife or your mother a Hamilton Beach De Luxe this Christmas and you give her one of the finest gifts a thoughtful man can choose.

We're Never too Busy to Be Courteous

Sometimes there are two or three people who want service in a hurry all at the same time. But we'd think we were poor battery men if we gave any of them short or discourteous answers.

We don't play any favorites here when it comes to service. It's Willard Standard Battery Service for everybody, whether the battery happens to be a Willard or not, and whether the owner is an old friend or a first-time customer.
