6.04 Personnel Notebook - Acc. #99.19 Note Book, 6.5 cm x 11 cm, leather cover with gold lettering. Front cover stamped *Compliments of Hemphill Company, Builders of the Banner Automatic Hosiery Machines, Pawtucket, R.I.* Contains information of interest to the knitting industry as well as handwritten notes: 1) Description of maintenance and running particulars of Dial Tapper, February, 1937; and 2) list of operators hired, 1926 to 1957. Name and start date given, some ages and hometowns. (This notebook is believed to be the work of Fred Gilmer, long time supervisor of the punch press department.)

- 12.02.01.28 *CN Train, Crew Get Raucous Reception.* "Members of Local 14161 District 50, United Mine Workers of American, lining the west bank of the CN railway line at Smith & Stone greet a diesel and crew with jeers and catcalls. The train was to have picked up four box cars loaded with completed wares on the company siding and dropped four cars including an oil tanker, but strikers squatted on the spur line to prevent the pickup. The strikers claim Smith & Stone is breaking trust with the union in attempting to get the shipment out." Georgetown Herald, May 21, 1964. Peter Jones Photo. (Poor condition.)
