

in the civil service at Ottawa. Also, during the winter months she has a good deal of responsibility at home as her mother teaches in schools too distant for her to be at home.

"At present Ruth is taking some of her Grade XIII subjects at high school. She plans

to enter the Home Economics course at Macdonald College, Quebec, this fall. Her scholarship money will be spent on this course. Her aim is to be a Home Economist. If she does become a Home Economist," Miss Lindsay adds, "I believe she will be a successful one."

County Scholarship Winners

ELGIN and Grey Counties have announced their F.W.I.O. scholarship winners for 1954.

The Elgin County Ontario Women's Institute Centennial Scholarship goes to Marianne Summers. Marianne has completed eleven Homemaking Club units in Foods, Clothing, Housefurnishing, Hospitality and Gardening. She represented Elgin County at the Provincial Day at Guelph in 1951 and at the 4-H Homemaking Club Conference in 1954, and is an active member of the East Elgin Junior Institute. She has served in various executive positions in her club. Her County home economist reports that in 1951 canning was a new venture for Marianne but that year — she would be fifteen years old at the time — she canned seventy-nine jars of eighteen vari-

eties of fruit in preserves, jams, jellies and pickles and also did the family canning. The home economist adds, "This, apparently, was quite an achievement as her mother tells us she was very fearful of hot jars up to that time." Marianne completed Grade XIII at high school last summer and entered Teachers' Training College on September 2.

Winner of the Grey County Flora Durnin Women's Institute Scholarship for this year is Helen Ormsby. Helen also has completed eleven 4-H Homemaking Club units in Foods, Clothing, Housefurnishing, Hospitality and Gardening. She has been active in executive work in her club and took part in four club plays, one of which she directed. She has also completed a Calf Club and a Forestry Club and represented each club in judging at the O.A.C. She is an active member of the Junior Farmers' Association, Social Convener of the Young People's Union and a member of the Fall Fair Board, helping to direct the Ladies' Work and Junior Farmers' Section. For three years she has won the cup given at the fair for club girl's sewing and modeling. Helen has played on the Meaford High School basket-ball team for three years and this year she was Grade XIII's athletic representative to the Student Council. In September she entered the Owen Sound General Hospital to begin her nursing training.
