RIGHT

From South Peel, Brampton West's unusual rug came first in the Toronto Convention Area awards. It seems to have the approval of J. A. Carroll, Assistant Deputy Minister of Agriculture for Ontario and Honorary President of the World Plowman's Association.

Second-prize rug, made by Varency Institute in Haldimand.

An interesting rug by Bonnechere Valley Institute, Renfrew South. This came first in the Ottawa area.

Lash Institute in Rainy River, Centre District, won first prize for this rug in the Port Arthur and Fort William Convention Area.
