Second from Top: A Cereal Shelf exhibit featuring rice, by Margot Andersen, Sharron Tuomi and Gladys Andersen. Third from Top: A Thunder Bay club with County Honour girls in the front row: Lorraine Zumsky, Karen Spence, Beverly Martyn. Bottom: Rainy River County Honour girls: Betty Jean Wilson, Lorna McKinnon, Mabel McRae, Joyce Grennier.

* * *

"Being Well Dressed and Well Groomed" was the project completed by one hundred and twenty-three members of fourteen clubs at Emo in Rainy River District. Slips or petticoats and camisoles along with the Record Books, made an attractive display for the many Women's Institute members and friends who were in attendance. Judging of a class of slips and a dress parade as well as doing a sample patch kept the girls busy during the morning.

A programme of exhibits, skits and demonstrations was given in the afternoon. Atwood, Burriss and Black Hawk set up club exhibits showing "How to Look Your Best." For skits and demonstrations, Aylesworth, Stratton North, Crozier North, Palutto, Lash, and Devlin selected the topic "Would You Be Well Dressed." Bergland, Crozier South, and Barwick chose the topic "Making the Most of Our Clothes."

Certificates of Achievement were presented to fifty-nine girls for completing two projects. County honors were presented to five girls.

Highlight of the afternoon was the presentation of Provincial Honors for having completed twelve projects to Marlene King of the Patullo Club and Norma Hamilton of the Aylesworth Club.

REST ROOM IS APPRECIATED

Following the area convention at Bracebridge, Mrs. Wilfred Moore, on behalf of the delegates from Nipissing, asked us to extend through Home and Country, their congratulations to the Institute women of **South Muskoka** on the Rest Room they maintain in Bracebridge. Mrs. Moore wrote: "Here, after the meetings we could meet to talk and compare notes in a warm, clean, cheery room. After the session the ladies of Bracebridge served tea and cakes, which was much appreciated, and we were able to rest here until train or bus time. I would like to see more of such rest rooms in our towns throughout the province."
