

Diltz and Robinson Institute's float in the Dunnville Centennial Parade was arranged on two wagons, the first carrying an old-time kitchen set-up, the second an old-fashioned parlour.

### TIME SAVED!

It's true the farmers' wives today have kitchens sparkling white  
 Where once they were all dark and drab, and boasted little light.  
 The old black range has been replaced with some push button type,  
 And do we ever love it—'cause no soot gets in its pipe.  
 We now put in the food for noon—while breakfast's being cooked  
 So we can keep appointments we previously have booked.  
 We carry no more water, 'cause it's piped right to the sink;  
 All tasks which once were drudgery, are now done in a wink.  
 So many jobs once done by hand are all done now by power.  
 So naturally you'd think we'd have full many an idle hour.  
 Now that's the thing that puzzles me, 'cause all the women say  
 They go in a dead gallop through each long and busy day.  
 They vow their work is never done. They have no time to visit.  
 If all these things saved so much time—I'd like to know—Where is it?

### A HOME PRAYER

O Lord, grant that each one who has to do with me today may be the happier for it.  
 Let it be given me each hour today what I shall say, and grant me the wisdom of a loving heart that I may say the right thing rightly.  
 Help me to enter into the mind of everyone who talks with me, and keep me alive to the feelings of each one present. Give me a quick eye for little kindnesses that I may be ready in doing them and gracious in receiving them. Give me a quick perception of the feelings and needs of others, and make me eager-hearted in helping them. Amen.  
 —From Prayers New and Old.

Bealton Women's Institute float in the Waterford Centennial parade features a baby's bassinette with a 2,000 population label. Institute officers Mrs. Courtnage and Mrs. Charters did most of the work, building the display of plywood on a wagon truck. The girls with the float are 4H Homemaking Club members.
