At the Thunder Bay training school held at Nipigon for local leaders of 4-H Homemaking Clubs of the District. The District Home Economist, Miss Elsie Irvine, is sixth from the left. The project under study is "Working With Wool."

Fifty Years Old and Over

Editor's Note: This may be our last listing of Institutes celebrating anniversaries of fifty years or more. So many branches have now passed the half century mark that their number would soon fill columns if we were to record all of them. Of course Public Relations Officers will see that anniversaries are well reported in the local press where details of the celebrations and names of those present — especially former members who return for the event, are of general interest to readers.

Since the last issue of Home and Country was published we have heard that the following Institutes have celebrated their anniversaries of fifty years or more:

Brook in Lambton Centre District, fifty years.

Sharon Gamble, awarded the Dufferin County Ontario Women's Institute Scholarship. Sharon has her provincial honors in 4-H Homemaking Club work and is now a nurse-in-training at Toronto Western Hospital.
