Souvenir and Handicraft Competition

Mrs. Lymburner has been appointed to the committee in charge of the Souvenir and Handicraft Competition inaugurated by the Ontario Department of Travel and Publicity; and she asked the Board Members to bring this competition to the attention of Institute members in their subdivisions, referring them to the announcement on page 16 of the Fall 1962 issue of *Home and Country*. As an example of a good Ontario souvenir to sell to tourists Mrs. Lymburner showed an apron made by a member of an extension course class in Block Printing. The apron was decorated with an attractive block printed design of leaves of Ontario trees — maple, oak, beech and others.

Officers and Committees

A very important new officer elected was the Provincial President, Mrs. Leonard Trivers of Thessalon in Algoma. Mrs. Trivers is the wife of a farmer and the mother of seven children, two of them still in public school. For the past eight years she has been on the teaching staff of Thessalon public school. For two years she drove the school bus. She has been active in the church in the two communities where she has lived, has taught in the Sunday School for ten years, for five of these years serving as Superintendent. And she has been a devoted Institute member for twenty-three years, holding various offices at every level.

Another new officer whose responsibilities are important and heavy is the Public Relations Officer, Mrs. Austin Zoeller, a young farm woman of Waterloo county, for the past sev-

eral years Secretary of the Guelph Convention Area.

The complete slate of officers is given on the Contents page.
