

We were thrilled to receive a Korean Christmas card from Kyong Sook at the holiday season.

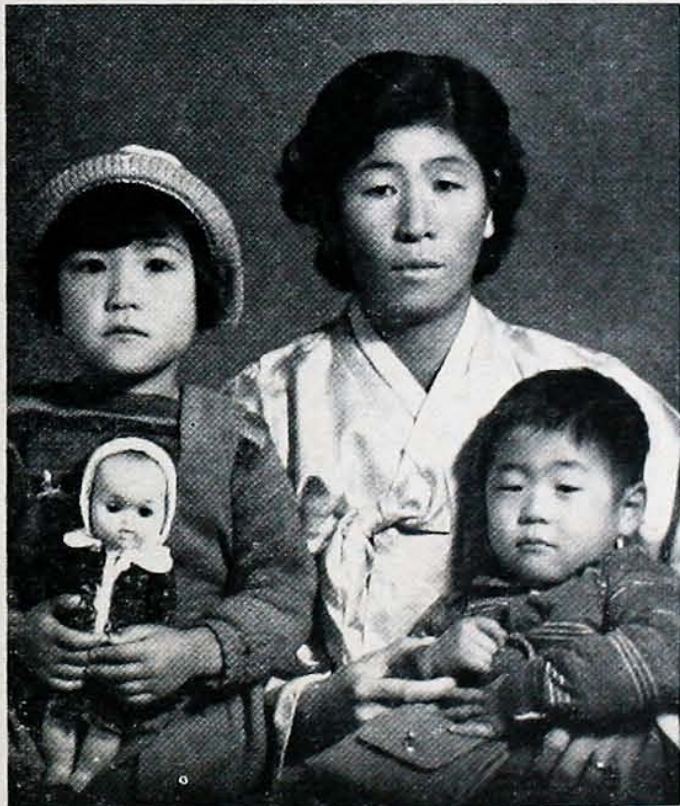

I'm enclosing a picture which accompanied the letter. The children are wearing the clothes which were sent in the parcels; the purse and the doll were also sent to them.

MRS. S. C. BAGDON of Atherton Institute and a member of the F.W.I.O. Board was recently presented with an Award of Merit by the Norfolk County Chamber of Commerce. The citation listing her many services to her county and the province through the Women's Institutes, the Church, the School Board includes the rather unique office of "Women's Institute representative at the County Court." The point of interest here is that the Institutes of Norfolk County send representatives to attend Court sessions when New Canadians receive their citizenship papers. Mrs. Eleanor Babinsky, P.R.O. South Lobo Institute writes: "Some of our Institute members thought they would like to see the Kitchener Ice Capades, a distance of 80 to 100 miles from our homes. It was decided to fill one small bus, for 36 people, charging enough to cover expenses only. In one week's time 84 people — members and their families, friends and neighbors were eager to go so we had to hire two larger buses. The show was excellent and everyone enjoyed the community outing which they could not have had if it had not been arranged by the Women's Institute."
