

More Notes of Note

Elliot Lake Centre for Continuing Education is Canada's newest education centre.

Mrs. Small: "Pennies for Friendship is one of the most important things to carry on, especially in light of devaluation of the pound—think about white pennies instead of copper ones."

Miss McKercher announced a combined program for men and women in Memorial Hall, University of Guelph on Tuesday, February 20 and on Friday, February 23. In the Soils Building there will be a special meeting for women.

Women's Institute movement was featured on Country Calendar on December 17th.

Tapes of Mrs. Dutt's address on opening day of National Convention, an interview with the international, national and provincial presidents, and also of a speech on the Vanier Institute for the Family as given by Dr. Wilder Penfield to Macdonald Institute Alumnae may be loaned from 20 Spadina Rd.

Miss Sheila Lewis of Workmen's Compensation Board available as a speaker by writing to 90 Harbour St., Toronto.

Quoted from an address at a meeting of the Cloverdale Women's Institute — Motto — "The condition of 'Safety' within a group is essential to its success." To feel "safe" within a group the members must feel comfortable with each other. They must feel free to exchange honest ideas without fear of being judged. There must be an atmosphere and acceptance within the group before it can function well.
