### Agriculture and Canadian Industries

**Bridgeport** convener prepared a report on the history, use and care of vegetables. "Onions are one of the oldest known vegetables. An old belief was that onion juice rubbed on a bald head would make hair grow. Beans were known to the ancient Egyptians and Greeks, and were eaten in Biblical times. Celery was believed to be effective as a sedative and the dried leaves used to stuff pillows. Tomatoes were known as 'love apples'."

**Harvie Settlement** had representatives of the local Horticulture Society as speakers. A landscape gardener demonstrated with sketches the effect that landscaping has on producing pleasing lines for home and grounds; and gave hints on pruning, bed-shaping and planting.

**Singer's Corners** — Theme, "Goodbye Dobbin The World's Got Wheels." In her talk on Agriculture, the member said that the first crop of rice grown in Canada was harvested recently in the Dunnville area.

**Dorking** — theme Farm Problems — convener passed out questions to members, thus all members participated in the discussion.

**Burford** — member prepared a talk with the title "Sugar From Beet to Bowl".

**Fairgrove** — A speaker said, "The amount of goods the farmer can afford to buy decides the prosperity of the banks and stores. It affects the value of real estate."
