

Left-right — Mrs. Jack Couperthwaite, Mrs. Murray Lee, Mrs. Hugh Baird, and Mrs. Don Crassier — 4-H Homemaker's Club Leaders at a Leaders' Training School, for "The Cereal Shelf" at Uxbridge.

**Glenburnie** — Members enjoyed a demonstration on making candles from paraffin.

**Rockford** — Had a discussion on "Buying A Stove".

**Annan** — An article from a newspaper was read. The title was "Make Use of Your Seat Belts."

**Brownsville** — A demonstration on caning chairs was of interest to the members.

**Derry West** — A speaker, a former teacher who had lived among and taught Eskimos on Baffin Island.

**Alloa** — Debate: Resolved that in an emergency situation a woman has a clearer mind and can act more swiftly than a man.

**Hillier** — Members enjoyed a film showing the pictures of Cornelius Krieghoff.

**Mountain View** — A demonstration on the uses of a Blender.

**Rosetta** — A demonstration of making Cottage Cheese.

**Welland City** — Motto: "Two things bad for the heart — Running upstairs/Running down people."

**Badenock** — A display of different kinds of china and an explanation of the uses of each was the program for a Branch meeting.

**Utoka** — A speaker explained "Synthetic Foods."

**Clyde and Scott's** — Speaker: discussing tragedies caused by not reading the fine print on important documents.

**Green Bay** — A demonstration of cutting dahlia tubers for planting.

**Martintown** — Speaker gave a talk on "Electrical Storms," with suggestions as to what to do during a storm.

**Colborne** — "The primary function of the Children's Aid Society is to protect children from neglect and abuse and to provide temporary or permanent care for a child when necessary."

**Woolwich** — Motto — "No sense and nonsense causes most accidents," the speaker for this meeting said.

**Selwyn** — A local antique dealer presented the Branch members with a demonstration on how to apply stencils to wooden furniture.

**Bothwell's Corners** — A guest speaker gave a talk on the care of African violets and demonstrated several methods to be used in their propagation.

## EDUCATION

**Falkland** — Using a map of the school, a speaker, a local teacher, traced its development from the small building built in 1923 to become an efficient composite school in 1968.

**Harvie Settlement** — Motto — "Education is not merely the road to earning a living but is that which makes living worthwhile."

**Price's Corners** — A speaker explained the place of the newspaper in everyday living. She said, "Children should be encouraged to read the newspaper at an early age."

## STANDARDS

You cannot choose your battlefields,  
The Gods do that for you.  
But you can plant your standard  
Where a standard never flew.

Nathalia Crane
