AGRICULTURE AND CANADIAN INDUSTRIES.

Mountain View — Using pictures a speaker told the branch members of "Edible Weeds and Flowers, and Their Uses." The ladies were treated to a sample of Golden Rod tea.

Clayton — Roll Call — "Something new in textiles." Many of the members had samples to display when answering the roll call.

Yarmouth Glen — Roll Call — How a farmer and his wife can find more leisure.

Forester's Falls — The Branch members enjoyed a tour of a greenhouse during which the manager gave an informative talk on the care of plants and proper procedures for transplanting.

Ennotville — "Farmers can receive assistance with their bookkeeping and farm management through the use of computers," said a speaker addressing a branch meeting. The speaker then explained how this service can be obtained.
