PENNIES FOR FRIENDSHIP

By Mrs. Mungo Barr, Honourary Treasurer

"I want to express my warmest appreciation and thanks for your increased support for Pennies for Friendship during the last Triennium, the total for the three years has amounted to £92,332.90 (\$221,598.96) which is a magnificent effort on everyone's part.

"For Triennial periods delegates in Conference have always courageously accepted a budget of expenditure far in excess of estimated receipts (and this coming one is, I sometimes think, frightening) but up to the present time this policy has been fully justified by the increased support so readily given.

"I, as Honorary Treasurer, the Finance Committee, the General Purposes Committee and the Council do all we possibly can to maintain and increase our financial strength but we are dependent ultimately on the efforts of every individual member of both our Societies and of A.C.W.W. itself for the money required to keep us in a strong financial position.

"Today, with so much inflation, unrest and instability, one becomes very fearful for the future but knowing the very excellent support you have given in the past I am confident that with our united greater efforts the objects of A.C.W.W. and its influence will become even more widely known and felt around the world."
