

Miss Eleanor Flint, Supervisor of Crafts with the Home Economics Branch of the Ontario Department of Agriculture and Food with County Home Economists. From left — Mrs. Eleanore McClelland, Mrs. Elaine Struthers, Miss Carol Yakelashek, Mrs. Layne Patton, Miss Flint, Miss Betty Lou Covell, Miss Jo Anne Henderson, Miss Nancy Strang.

Mrs. Eleanore McClelland (standing) assisting girls with their craft project.

The Girls Said:

My roommate and I were glad to be selected to represent the Russell county at the 1971 Guelph Conference. It was our first experience by train and our first long trip. We were really glad to get here because of the long trip. We were a little bit disappointed because there were so few French girls but we got along very well with the other girls.

The conference was very well organized and we were quite satisfied with the program and we also hope that everybody enjoyed themselves as much as we did. The meals were appetizing and good. Through the discussions and sessions we learned about others' ideas.

We would like to thank the Ontario Department of Agriculture and Food and Miss Nancy Marsh for having given us the opportunity to take on active parts in this conference.

Francine Arcand, Russell County,
Maryse Bourdeau, Russell County,
Denise Pilon, Russell County.

The 1971 Guelph Conference for 4-H Homemaking Club girls was great. Here I had the opportunity of meeting and becoming friends with girls from all over Ontario. While in Guelph we lived on campus and had a taste of university life. We attended meetings which included various speakers, interest groups, tours of the campus and at night we got together where we sang songs and presented skits.

I especially liked the interest groups. We had three choices — Effective Speaking, Music or Crafts. I chose effective speaking with Mrs. L. M. Forsyth as our instructor. I really enjoyed it. Here we learned how to prepare a speech and give it.

I only hope that every girl could go to this conference. It's an experience I won't forget.

Wendy Carter,
Algoma.
