

I enjoyed the 4-H Conference at Guelph very much. The best thing of all was the banquet at Creelman Hall with all the girls in their fancy dresses. The banquet was lovely with plenty of delicious food to eat.

I have met many girls from the district and counties. I really enjoyed the skits, the times we had singing together and Dr. Ethel Chapman's speech.

Another great pleasure was Miss Jean Steckle with her pictures and talk about "Home-making Around the World."

I hope all the girls have enjoyed the conference as much as I have.

### GOOD HOURS

I had for my winter evening walk —  
No one at all with whom to talk,  
But I had the cottages in a row  
Up to their shining eyes in snow.

And I thought I had the folk within:  
I had the sound of a violin;  
I had a glimpse through curtain laces  
Of youthful forms and youthful faces.

I had such company outward bound.  
I went till there were no cottages found.  
I turned and repented, but coming back  
I saw no window but that was black.

Over the snow my creaking feet  
Disturbed the slumbering village street  
Like profanation, by your leave,  
At ten o'clock of a winter eve.

Robert Frost.

I was very pleased when I was one of the delegates chosen to represent my area, Thunder Bay at the 4-H Conference. I feel I have benefited a great deal from this experience; not only have I had the opportunity to meet 4-H girls from all over the province, but I have gained a great deal of general knowledge.

My three days at Guelph have been very enjoyable and I know I will remember them all my life. I would never have visited Guelph if I didn't have the chance of attending this conference.

All the girls have just been great; everyone was very friendly and helpful and I was able through their assistance to attend all the programs and events. The variety in the activities really made it interesting; there was everything from singing to bell ringing.

All in all I would recommend this experience to all girls. I learned a great deal more about 4-H work but I also found the tours, films, discussion groups and interest groups very informative generally as well as being enjoyable.

The University of Guelph has a beautiful campus and everyone was so friendly. I will always remember and appreciate their hospitality.
