Attention all Public Relations Officers and Secretaries. I want to tell all of you how much I appreciate the wonderful response you have made to my letter requesting press clippings and news of your branches. You are really doing a fine job and I think it will happen with this system that news of the branch activities will be better and more satisfying to your members. It should also give more help in the way of program ideas to other branches.

I have, however, an apology to make. As you know, this past month has been very exciting with our 75th Anniversary Celebration, so with many stories and pictures I have not been able to use as many of the press clippings and pictures as I would have liked to. I am holding many over till the next issue and then I will use all that I can. Please keep on sending them and good black and white pictures.

A note of caution: when writing on the back of snapshots please use pencil and press very lightly; otherwise, the marks show through and may mar the picture. Ed. St.
