Left — Mrs. Stewart Hume, President of the Wellington South District Women's Institute, when the Mosborough Branch was organized with Charter Members Mrs. John MacGregor, Mrs. Lloyd Dickieson and Mrs. Walter Brydon.

AGRICULTURE AND CANADIAN INDUSTRIES

Ospringe Roll Call — "Bring a product and compose a commmercial to sell it."

Hillsburgh. The members were entertained by the 4H Homemaking Club girls. Their current project "Dairy Fair" was explained and a quiz, "How Much Do You Know About Butter and Cream?" was given to the ladies.

New Liskeard Roll Call Display an article made in Canada and tell where it is made.

Jarratt Creighton — A guest speaker reviewed some of the old time industries in Canada mentioning Maple Syrup Making, Husking Bees, Butter Making, etc.

Sparta Sorosis. In June the branch met for an outdoor meeting. The social portion took the form of a fishing party. It wasn't reported how many fish were caught.

Tavistock A Landscape Designer speaking at a Branch meeting presented an inside view of how to get the most out of plants and shrubs. He said, "Planting a shrub too close to the foundation of a building mixes it up, as it is summer from a basement on the roots but may be winter on top.

Gilbert's Mills Roll Call. "A sunnyside of farm life."

Kilsyth. The convener of this Standing Committee used the following quotation to open her remarks, "What hast thou done with the land I have given thee?"

Underwood. A representative of a local nursery spoke on landscaping and answered questions on gardening at a branch meeting.

Sarawak. Discussions of gardening problems and rose growing were a feature of a branch meeting.

Mitchell Square Roll Call — "How changing Agriculture is changing our lives."

Pine Grove Roll Call. Each member to bring an article for exchange, houseplant, jam or pickles.

Kippen Roll Call — "Advantages and disadvantages brought by new industries in the area." A speaker described the manufacture of such foods as powdered milk, reddiwhip, yogurt etc.
