ONTARIO JUNIOR WOMEN'S INSTITUTES

Mrs. William Kloestra

The annual Spring Meeting of members of the Ontario Junior Women's Institutes took place at Fulton Town Hall on March 31. West Lincoln Junior Women's Institutes was hostess for the day. Addressing the meeting President Sharon Passmore challenged the members to ask themselves "What have I done for the Junior Institutes" rather than "What has Junior Women's Institute done for me." With this in mind, the president urged each member to do a little more for their local group and to invite new girls to become members.

Program for the day consisted of "Get Acquainted Games", with Margaret Oliphant in charge. Mrs. Carolyn Skulj (and Heather) with Mrs. Marion Feldskov demonstrating cutting up cakes; and Miss Ann Paraschy showed the ancient Ukrainian art of decorating Easter eggs, using beeswax and dye. By means of slides, Mr. Bruce Hadyn told the history of cheese and gave out samples of different varieties.

Guests were Mrs. George Henderson, Board Director for Subdivision 12, and Miss Donna Hepburn, Regional Supervisor of County Home Economists, representing the Home Economics Branch.

At the time of the Spring Meeting, there are 4 active Junior Women's Institutes with about 80 members.

HOSPITALITY

Mrs. William G. Miller

Several letters have been received from Women's Institute members in England who are contemplating visiting Ontario this summer. They have requested assistance in meeting and getting to know Women's Institute members in locations where they are planning to visit. Other letters have expressed a desire for letter exchanges. Two members from Saskatchewan were entertained at a 65th Anniversary of a Branch.
