

The Erland Lee Home Committee from left — Mrs. Austin S. Zoeller, Chairman; Mrs. Harvey Noblitt, Miss Helen McKercher, Mrs. William G. Miller.

and Constitution were taken by Graphic Arts Department, University of Guelph, and we are indebted to Miss McKercher for her department underwriting this and arranging all the details.

The Committee decided to keep a record of "The Erland Lee Home Story". This to be a type of scrap book telling the story in words and pictures since F.W.I.O. became owners of the property; 100 sheets and protector sheets, those used in Tweedsmuir books, and a cover to be decided later. This will be at the Home

for all to see and will be the responsibility of the committee and hostess to work together.

Applications for hostess and caretaker have been received and interviews will be given in May. The hostess and her husband will live in the apartment rent free, with hydro and heat supplied and receive a small monthly salary. In return, they will be required to keep the lawns and flower beds in good condition and do small repairs around the house. The Home will have to be dusted and cleaned daily and visitors shown through by appointment. The Home will be closed for one month, probably

Plaque erected by the Ontario Archaeological and Historic Sites Board at the Erland Lee Home.
