

The Louth Women's Institute picture taken when the branch members visited the Parliament Buildings, Toronto.

### INTERNATIONAL

**Cheltenham** — Motto — "To know them is to understand them" The meeting featured pictures, costumes, and souvenirs of Japan. Japanese tea was served with Japanese food for lunch.

**Coleridge** — Motto — "The world is my country, mankind is my friend."

**Rosehill** — Information on Australia and New Zealand was presented at a branch meeting.

**Bonnechere Valley** — After the roll call, "Name a country in the United Nations and tell something about it," a talk and discussion took place on the European Common Market.

**Scugog** — Roll call — Each member bring an article from home that was made in another country.

**Union** — A speaker explaining the work of the United Nations said that 1975 will be International Women's Year at the U.N.

**Maple Valley** — For this meeting a study of Austria was chosen by the program committee. It was said that the tourist trade is the third largest industry in this Alpine country, and that the name Austria means "Eastern Kingdom".

**Belhaven** — "My country is the world, my countryman mankind", was the motto of a branch meeting. Films were shown of Holland, Japan and India. This was an open meeting with people from the community attending.
