A Tribute to the Individual Member

Miss Bonnie Lynne Patch, Brampton, Peel County Bursary recipient.

East Northumberland District Ontario Women's Institute Scholarship winner, Miss Sharon Rose, RR 5, Colborne.

Ontario Women's Institute members have played an important part in donating money to help students further their education.

Thousands of students have received assistance from Women's Institutes in Ontario over the years.

When you think of the number of Branches aiding students in elementary and secondary schools, this alone is a worthwhile effort.

There are many District, County and Area scholarships, all provided again through the efforts of the Branch members. Although members play a dual role at various levels, it still is the individual member that makes this possible.

All members should stand and take a bow. The assistance given to the youth of today is certainly a way of saying, we have confidence in the future generation.

The Women's Institute succeeds, not because it is big, or because it is long-established, but because there are people in it who live it, sleep it, dream it and build future plans for it.

The Mrs. Alfred Watt Memorial, Simcoe South, Ontario Women's Institute Scholarship winner Shirley Evans, Stayner is attending Georgian College, Barrie enrolled in the Medical secretary program.

Algoma District, Lilly Petty Scholarship, won by Miss Emily Mosher, Iron Bridge.
