

Creative  
Stitchery  
a  
Craft  
for All

Needlecraft has emerged as a popular and very lively means of creative expression. Colour and originality in design is the password in this project.

Quilts  
have  
Caught  
on

With the main emphasis on design and colour co-ordination, women throughout Ontario are anxious to learn about quilts and quilting through individual expression.

Look!  
it  
Really  
is  
Simple

Learn special techniques and helpful hints in "More Ideas for Sewing Knits."

# With The Home Economics Branch

The response of Women's Institute members and community groups to the acceptance of Home Economics Branch programs has been most encouraging.
