JUNIOR WOMEN'S INSTITUTE REPORT

Mrs. Carolyn Skulj

The Spring Board meeting was held in Wainfleet Town Hall. Sharon Passmore, President welcomed the thirty members. A get acquainted game was led by Margaret Wylie and Cindy and Dayle Cordingley demonstrated the making of sock toys. The group then made sock rabbits.

The Provincial Project "A Little Bit of Everything" has been sold out and the book is being reprinted. Rosina Veld, Carolyn Skulj and Jere Brown were responsible for the publishing and distributing of the book which contains craft ideas, games, recipes and programme ideas. Proceeds from this publication, will go toward a Scholarship for a Junior Women's Institute member.

Wainfleet branch were the hostesses and Lynn Witt's mother baked and decorated a cake with the JWIO crest on it.

During the afternoon the members toured the Bell Canada office at Welland. Carol Siddall, Public Relations officer introduced tour guides, Anna Peressotti, Clarence Brown and Joe Corina. The members were amazed at the mass of computers, wires and equipment required in a telephone system.

After the presentation of her report, Carolyn expressed thanks for the opportunity to represent the Junior Women's Institutes on the Board.

Would you like to make a rabbit?

If only you've the will,
To brighten someone else's world—
A small niche you can fill,
Comforting or helping those whose lives are incomplete.
Take a blind man for a walk or give a child a treat.

There's always something you can do
For someone everyday,
To lighten loads for others
Or cheer them on their way.
Invalids who lie for hours just gazing at the wall,
Someone watching, waiting, hoping, for a friend to call.

There are those who need a lift from someone like you,
Someone who will share their problems and their pleasures,
too.
If you think you're feeling lonely, look around and see,
The world is full of people who are wanting company.
