

## More About The Branches

As a result of the course provided by the Home Economics Branch, Mrs. Harvey Featherstone, Caledonia, has made angels as a hobby ever since. During the Ontario Women's Institute Week at the Erland Lee Home many WI members watched her papier mache demonstration with keen interest.

REDNERSVILLE WI, roll call "Name a responsibility of a WI member." Answers urged members to:

- take an active interest in the community
- be willing to take an office
- be willing to participate in WI activities
- be generous with own talents
- be enthusiastic and join in discussions.

MOUNTAIN VIEW WI had Vice Chairman of Hastings County School Board, Mrs. Miriam Graham speak informally on the role of a school Board Member in today's school system. She told of some of her own interesting experiences as a member on the Board.

WINGER WAINFLEET W.I. was invited to tour Dominion Wabasso Fabrics and Textiles at Dunnville. Mr. R. Cotton spoke at a meeting explaining the various methods of designing textiles and described the machinery used for producing coloured patterns (the Jacquard) and screen printing for making floral patterns. He told about the machine used for making Turkish towels which was invented in 1850.

Ruskview W.I. celebrate 60th Anniversary. Mrs. Jim Foster, President, and Mrs. Stan Service, Secretary-Treasurer, cut anniversary cake. Members, Life Members, District President and Secretary-Treasurer and typist for Tweedsmuir History all received lovely corsages in Institute colours before dinner at the Pioneer Restaurant, Wasaga.
