

EACH ONE REACH ONE

The Morning Break "Y" sponsored programme took advantage of the "Baked in a Pie" course. Two Women's Institute members who had previously taken the course conducted the session for the Morning Break group. L - r Marion Tingey, Cottom WI member and Mrs. Keith Howard, Maidstone WI, are to be commended for sharing their knowledge with another community group.

DIAMOND JUBILEE RALLY

Eastern Area Women's Institute members celebrated their Diamond Jubilee with an all day mini conference.

Mrs. Hugh MacMillan, President, presided and after welcoming the guests introduced Constable McCabe, Women's Division, Ottawa Police Force, guest speaker who said "A woman's work on the police force is both interesting and challenging."

Miss McCabe was born in Ireland, came to Canada in 1935. In 1960 she joined the Ottawa Police Force, where in a male oriented career there are six police women.

She outlined her several duties since coming to the force. At present she is working in crime prevention and communications. She experienced no discrimination in the Ottawa police force. Women on the force answer all calls and receive the same salary as their male counterparts.

The members attended Buzz sessions lead by experienced WI leaders. The sessions were for Standing Conveners, PRO's, Curators, Federation Representatives, Presidents, Secretaries, Members at Large. Each leader reported on a Buzz Session.

Barrie Island WI honour two members who have been in the Institute for over 60 years. L - r Mrs. Arthur Lane and Mrs. Geo. Lane were honoured at a special tea and presented with begonia plants.

"The lighter side" of the Grand Bend WI.

WEST END WI celebrate 60th anniversary with guest speaker Dr. Ethel Chapman. A musical programme of selections from World War I were enjoyed and a skit portraying a scene which lead up to the organizing of the Branch. Members in the skit were daughters of charter members. A comprehensive review of West End's history was much enjoyed along with a fine display of photographs depicting activities since 1915.
