Twelve of the winners were present for the occasion and the sandwich supper which followed. One recipient was unable to attend.

Dr. Janet Wardlaw, Dean of the College of Family and Consumer Studies, welcomed everyone and expressed her appreciation to the Women's Institutes for their continued support of this educational project.

Dr. Wardlaw introduced Miss Helen McKercher, Director of the Home Economics Branch. She outlined briefly the history of the Entrance Awards from the time of the conception of the idea to the present day. She expressed her appreciation for being invited to attend and extended her congratulations to the recipients.

Mrs. Herbert Maluske, President of F.W.I.O., stated she was likewise very happy to be present. She announced that in 1976 twenty-five Entrance Awards would be made available to girls in their first year of studies at the University. It was her suggestion to the recipients that they make this fact known to any one interested and encourage them to make application for an award. She was sorry that all the awards available for 1975 had not been utilized.

Mrs. Maluske then presented the girls with their certificates and cheques, congratulating and wishing each one continued success in her studies at the University.

Mrs. Margaret Woof, Supervisor, Junior Extension, and Mrs. Barbara Flewelling, Regional Supervisor, of the Home Economics Branch, were also present. They brought greetings and their congratulations to the girls.

DOROTHY FUTCHER ONTARIO WOMEN'S INSTITUTE SCHOLARSHIP

The highlight for Jeannie Gow of Wallacetown, was to be presented with her certificate by Mrs. Futcher, a past president of FWIO and for whom this scholarship was named.

It was a genuine thrill for Mrs. Futcher of St. Thomas to present the award personally, especially as this was the first time an Elgin County girl has been the recipient. Miss Gow is a member of the Trycoanel 4-H Homemaking Club.

Jeannie, daughter of Mr. and Mrs. Gordon Gow, is in her first year of nursing at Fanshawe College, Victoria Campus, London. Her mother and two sisters are all nurses, so it seemed the natural profession to follow. Active in 4-H, Miss Gow has completed her 13th project and received Advanced Honours at the West Lorne Achievement Day.

It was a day for celebrities to gather when Jeannie received her certificate at Mrs. Futcher's home. F.W.I.O. officers were present as well as the Home Economist and Mrs. Gow, former FWIO Board Director.
