

OUR STRENGTH

The Peel County FWIO Scholarship winner is Catherine Ann Russell, daughter of Mr. and Mrs. Norman Russell, R.R. 2, Brampton.

Miss Russell is a graduate of Mayfield Secondary School and is now attending McMaster University. She has completed 17 4-H Clubs and has been a delegate to the Girls' Conference in Guelph and the National 4-H Citizenship Seminar in Ottawa.

Margaret Louise Duncan, daughter of Mr. and Mrs. Thomas Duncan of Caledon was the Peel County Women's Institute Bursary awardee.

Miss Duncan graduated from Mayfield Secondary School and is attending Brock University majoring in languages. She received Provincial Honours and was a delegate representing 4-H at the CNE.

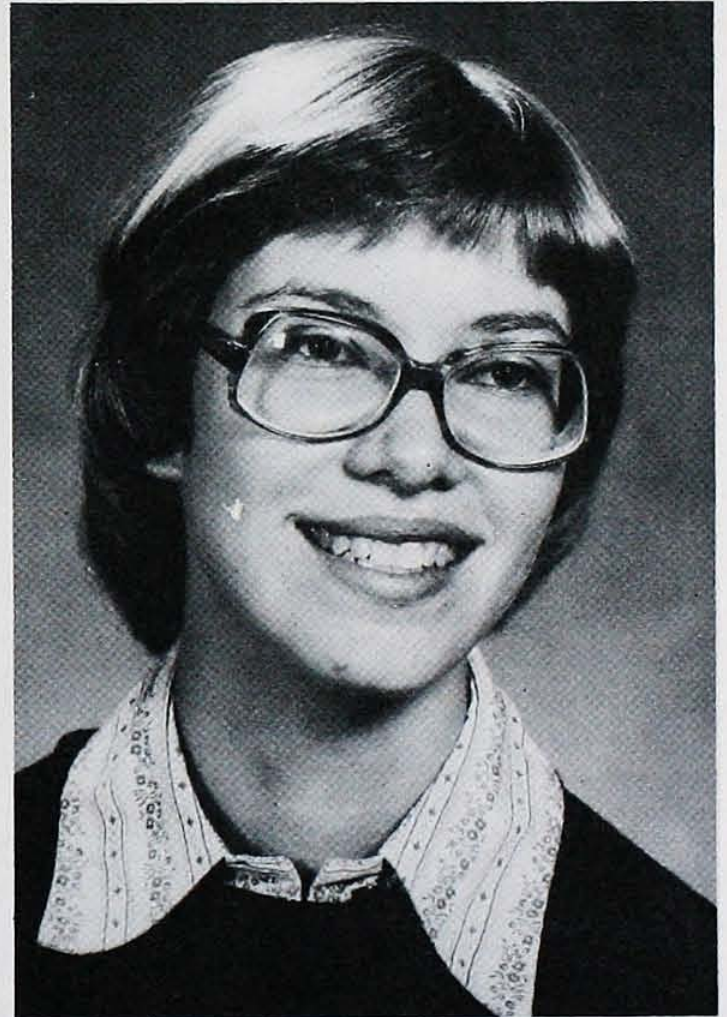

FLORENCE P. EADIE SCHOLARSHIP

This year is no exception, the Florence P. Eadie Women's Institute Scholarship was awarded to Kathy Sellers, daughter of Dr. and Mrs. C. Sellers, Wellesley. Women's Institute is a tradition in her family, her grandmother Mrs. Wm. Morlock, of St. Jacobs is a past president of Guelph Area while her mother is a member of the Wellesley WI. Kathy has her Provincial Honours and has been an assistant leader. She feels she gained as much as she gave when an assistant leader and is proud that their membership is growing and has a good balance of junior and senior girls.

Last year she was in the Philippines as a Rotary Exchange student. She lived with three different host families and attended two different schools. A private school for students from kindergarten to fourth year high school (equivalent to Grade XI) and a trade school where girls learned sewing, cooking or electronics.

While away as a Rotary exchangee, she missed her Grade XIII year, however, she entered the University of Waterloo with her Grade XII and is a student in the political science course with the thought of a future in law or the diplomatic service.

There are many requests for her to speak about her year overseas, but she weaves this smoothly into her schedule along with 4-H and working two nights a week for a catering firm.
