

The Women's Institutes Drop-In Centre was a successful venture at the 1976 International Plowing Match, Walkerton. WI material, and a Pennies for Friendship jar along with ACWW information was displayed. Tea and cookies were served when the weary public sat down for a rest.

### HOMESTEAD TO BECOME PARK

Mrs. Roxie Ellen Bauder who is known to all her friends as "Roxie" says it makes her feel old to be called Mrs. Bauder.

A faithful Women's Institute member for over thirty years, first attending Fernleigh WI and later a member of the Cloyne Branch never misses the Kingston Area Convention.

After marriage, Roxie went to live with her husband Arthur, who at the age of one, moved to the property bordering the south shore of Mississagagon Lake with his family in 1889.

In memory of her late husband she gave the 86 acre tract as an outright gift to the Province of Ontario. At the official gathering including Natural Resources representatives, many parliamentarians and municipal officials, family and friends, Roxie Bauder addressed the group. She remarked "I only hope it will be of some use to you."

The Ministry of Natural Resources intends to erect buildings where junior rangers can be trained. A boat ramp is to be built as well as roads into the property. The property will assume new significance and the name "Bauder" will be perpetuated.

Aurora WI celebrate 65th Anniversary with guest speaker Mrs. Elton Armstrong (deceased). Some of the members pose for picture, more than 100 people were present for the occasion.

Lakefield WI enjoy Grandmother's Meeting. Every October a Grandmother's day is held for Lakefield and surrounding district. Committee in charge L-r, Mrs. G. Hewitt, Mrs. F. Allison, Mrs. J. Preston, President; Mrs. E. Garbutt, Mrs. R. Curry, Mrs. A. Nichols, Mrs. R. Wiles, Mrs. C. Foster.

Members of Dewar's WI enjoy afternoon tea and 35th anniversary Birthday Cake.
